

155.10 Renewal of license.

Every holder of a nursing home administrator's license shall renew it by making application to the board, except that the individual requesting renewal shall submit evidence satisfactory to the board of continued education in this field. Such renewals shall be granted as a matter of course unless the board finds, after due notice and hearing, that the applicant has acted or failed to act in accordance with the rules or in such a manner or under such circumstances as would constitute grounds for suspension or revocation of a license.
