

8A.364 Fleet management revolving fund — replenishment.

1. A fleet management revolving fund is created in the state treasury under the control of the department. There is appropriated from moneys in the state treasury not otherwise appropriated the sum of twenty-five thousand dollars to the revolving fund. All purchases of gasoline, oil, tires, repairs, and all other general expenses incurred in the operation of state-owned motor vehicles, and all salaries and expenses of employees providing fleet management services shall be paid from this fund.

2. At the end of each month the director shall render a statement to each state department or agency for the actual cost of operation of all motor vehicles assigned to such department or agency, together with a fair proportion of the administrative costs for providing fleet management services during such month, as determined by the director, all subject to review by the executive council upon complaint of any state department or agency adversely affected. Such expenses shall be paid by the state departments or agencies in the same manner as other expenses of such department are paid, and when such expenses are paid, such sums shall be credited to the fleet management revolving fund. If any surplus accrues to the revolving fund in excess of twenty-five thousand dollars for which there is no anticipated need or use, the governor may order such surplus transferred to the general fund of the state.
