

724.11 Issuance of permit to carry weapons.

1. Applications for permits to carry weapons shall be made to the sheriff of the county in which the applicant resides. Applications for professional permits to carry weapons for persons who are nonresidents of the state, or whose need to go armed arises out of employment by the state, shall be made to the commissioner of public safety. In either case, the sheriff or commissioner, before issuing the permit, shall determine that the requirements of sections 724.6 to 724.10 have been satisfied. However, for renewal of a permit the training program requirements in section 724.9, subsection 1, shall apply or the renewal applicant may choose to qualify on a firing range under the supervision of an instructor certified by the national rifle association or the department of public safety or another state's department of public safety, state police department, or similar certifying body. Such training or qualification must occur within the twelve-month period prior to the expiration of the applicant's current permit.

2. Neither the sheriff nor the commissioner shall require an applicant for a permit to carry weapons to provide information identifying a particular weapon in the application including the make, model, or serial number of the weapon or any ammunition used in that particular weapon.

3. The issuing officer shall collect a fee of fifty dollars, except from a duly appointed peace officer or correctional officer, for each permit issued. Renewal permits or duplicate permits shall be issued for a fee of twenty-five dollars, provided the application for such renewal permit is received by the issuing officer at least thirty days prior to the expiration of the applicant's current permit. The issuing officer shall notify the commissioner of public safety of the issuance of any permit at least monthly and forward to the commissioner an amount equal to ten dollars for each permit issued and five dollars for each renewal or duplicate permit issued. All such fees received by the commissioner shall be paid to the treasurer of state and deposited in the operating account of the department of public safety to offset the cost of administering this chapter. Notwithstanding section 8.33, any unspent balance as of June 30 of each year shall not revert to the general fund of the state.

4. The sheriff or commissioner of public safety shall approve or deny an initial or renewal application submitted under this section within thirty days of receipt of the application. A person whose application for a permit under this chapter is denied may seek review of the denial under section 724.21A. The failure to approve or deny an initial or renewal application shall result in a decision of approval.
