91C.1 Definition — exemption — combined registration and licensing process for plumbers and mechanical professionals.

- 1. As used in this chapter, unless the context otherwise requires:
a. “Contractor” means a person who engages in the business of construction, as the term “construction” is defined in the Iowa administrative code for purposes of chapter 96, the Iowa employment security law. However, a person who earns less than two thousand dollars annually or who performs work or has work performed on the person’s own property is not a contractor for purposes of this chapter.
b. “Department” means the department of inspections, appeals, and licensing.
c. “Director” means the director of the department of inspections, appeals, and licensing.
2. The state, its boards, commissions, agencies, departments, and its political subdivisions including school districts and other special purpose districts, are not contractors for purposes of this chapter.
3. If a contractor’s registration application shows that the contractor is self-employed, does not pay more than two thousand dollars annually to employ other persons in the business, and does not work with or for other contractors in the same phases of construction, the contractor is exempt from the fee requirements under this chapter.
4. A contractor licensed under chapter 105 shall register as a contractor under this chapter in conjunction with the contractor licensing process established by the department. The department shall collect both the registration and licensing applications as part of one combined application. The director shall design the contractor registration application form to exclude from the department’s contractor registration application process those contractors who are also covered by chapter 103 or 105. The director is authorized to adopt rules as needed to accomplish a merger of the application systems including transitional registration periods and fees.

91C.7 Contracts — contractor's bond.

1. A contractor who is not registered with the director as required by [this chapter](#) shall not be awarded a contract to perform work for the state or an agency of the state.

2. A surety bond filed pursuant to [section 91C.2](#) shall be executed by a surety company authorized to do business in this state, and the bond shall be continuous in nature until canceled by the surety with not less than thirty days' written notice to the contractor and to the department indicating the surety's desire to cancel the bond. The surety company shall not be liable under the bond for any contract commenced after the cancellation of the bond. The department may increase the bond amount after a hearing.

3. Release of the bond shall be conditioned upon the payment of all taxes, including contributions due under the unemployment compensation insurance system, penalties, interest, and related fees, which may accrue to the state of Iowa. If at any time during the term of the bond, the department of revenue or the department determines that the amount of the bond is not sufficient to cover the tax liabilities accruing to the state of Iowa, the director shall require the bond to be increased by an amount the director deems sufficient to cover the tax liabilities accrued and accruing.

4. The department of revenue and the department shall adopt rules for the collection of the forfeiture. Notice shall be provided to the surety and to the contractor. Notice to the contractor shall be mailed to the contractor's last known address and to the contractor's registered agent for service of process, if any, within the state. The contractor or surety shall have the opportunity to apply to the director of revenue for a hearing within thirty days after the giving of such notice. Upon the failure to timely request a hearing, the bond shall be forfeited. If, after the hearing upon timely request, the department of revenue or the department finds that the contractor has failed to pay the total of all taxes payable, the department of revenue or the department shall order the bond forfeited. The amount of the forfeiture shall be the amount of taxes payable or the amount of the bond, whichever is less. For purposes of [this section](#) "taxes payable" means all tax, penalties, interest, and fees that the department of revenue has previously determined to be due to the state by assessment or in an appeal of an assessment, including contributions to the unemployment compensation insurance system.

5. If it is determined that [this section](#) may cause denial of federal funds which would otherwise be available, or is otherwise inconsistent with requirements of federal law, [this section](#) shall be suspended, but only to the extent necessary to prevent denial of the funds or to eliminate the inconsistency with federal requirements.

6. The bond required by [this section](#) may be attached by the director for collection of fees and penalties due to the department.

3. Each citation shall be in writing and shall describe with particularity the nature of the violation, including a reference to the provision of the statute alleged to have been violated.

4. If a citation is issued, the director shall, within seven days, notify the contractor by service in the same manner as an original notice or by certified mail of the administrative penalty, if any, proposed to be assessed and that the contractor has fifteen working days within which to notify the director that the contractor wishes to contest the citation or proposed assessment of penalty.

5. The administrative penalties which may be imposed under [this section](#) shall be not more than five hundred dollars in the case of a first violation and not more than five thousand dollars for each violation in the case of a second or subsequent violation. All administrative penalties collected pursuant to [this chapter](#) shall be deposited in the general fund of the state.

6. If, within fifteen working days from the receipt of the notice, the contractor fails to

notify the director that the contractor intends to contest the citation or proposed assessment of penalty, the citation and the assessment, as proposed, shall be deemed a final order of the employment appeal board and not subject to review by any court or agency.

7. If the contractor notifies the director that the contractor intends to contest the citation or proposed assessment of penalty, the director shall immediately advise the employment appeal board established by [section 10A.601](#). The employment appeal board shall review the action of the director and shall thereafter issue an order, based on findings of fact, affirming, modifying, or vacating the director's citation or proposed penalty or directing other appropriate relief, and the order shall become final sixty days after its issuance.

8. The director shall notify the department of revenue upon final agency action regarding the citation and assessment of penalty against a registered contractor.

9. Judicial review of any order of the employment appeal board issued pursuant to [this section](#) may be sought in accordance with the terms of [chapter 17A](#). If no petition for judicial review is filed within sixty days after service of the order of the employment appeal board, the appeal board's findings of fact and order shall be conclusive in connection with any petition for enforcement which is filed by the director after the expiration of the sixty-day period. In any such case, the clerk of court, unless otherwise ordered by the court, shall forthwith enter a decree enforcing the order and shall transmit a copy of the decree to the employment appeal board and the contractor named in the petition.
