o. Failing or refusing to cooperate in an investigation by the commissioner.

2. If the commissioner does not renew a license or denies an application for a license, the commissioner shall notify the applicant or licensee and advise, in writing, the licensee or applicant of the reason for the nonrenewal of the license or denial of the application for a license. The licensee or applicant may request a hearing on the nonrenewal or denial. A hearing shall be conducted according to section 507B.6.

3. The license of a public or private entity operating as a navigator may be suspended, revoked, or refused if the commissioner finds, after hearing, that an individual navigator licensee's violation was known or should have been known by a partner, officer, or manager acting on behalf of the entity and the violation was not reported to the commissioner and corrective action was not taken.

4. In addition to, or in lieu of, any applicable denial, suspension, or revocation of a license, a person, after hearing, may be subject to a civil penalty as provided in section 522D.8.

5. The commissioner may conduct an investigation of any suspected violation of this chapter pursuant to section 507B.6 and may enforce the provisions and impose any penalty or remedy authorized by this chapter and chapter 507B against any person who is under investigation for, or charged with, a violation of either chapter even if the person's license has been surrendered or has lapsed by operation of law.

6. a. In order to assure a free flow of information for accomplishing the purposes of this section, all complaint files, investigation files, other investigation reports, and other investigative information in the possession of the commissioner or the commissioner's employees or agents that relates to licensee discipline are privileged and confidential, and are not subject to discovery, subpoena, or other means of legal compulsion for their release to a person other than the licensee, and are not admissible in evidence in a judicial or administrative proceeding other than the proceeding involving licensee discipline. A final written decision of the commissioner in a disciplinary proceeding is a public record.

b. Investigative information in the possession of the commissioner or the commissioner's employees or agents that relates to licensee discipline may be disclosed, in the commissioner's discretion, to appropriate licensing authorities within this state, the appropriate licensing authority in another state, the District of Columbia, or a territory or country in which the licensee is licensed or has applied for a license.

c. If the investigative information in the possession of the commissioner or the commissioner's employees or agents indicates a crime has been committed, the information shall be reported to the proper law enforcement agency.

d. Pursuant to the provisions of section 17A.19, subsection 6, upon an appeal by the licensee, the commissioner shall transmit the entire record of the contested case to the reviewing court.

e. Notwithstanding the provisions of section 17A.19, subsection 6, if a waiver of privilege has been involuntary and evidence has been received at a disciplinary hearing, the court shall issue an order to withhold the identity of the individual whose privilege was waived.

Sec. 128. NEW SECTION. 522D.8 Cease and desist orders — penalties.

1. A navigator who, after hearing, is found to have violated this chapter, may be ordered to cease and desist from engaging in the conduct resulting in the violation and may be assessed a civil penalty pursuant to chapter 507B.

2. If a person does not comply with an order issued pursuant to this section, the commissioner may petition a court of competent jurisdiction to enforce the order. The court shall not require the commissioner to post a bond in an action or proceeding under this section. If the court finds, after notice and opportunity for hearing, that the person is not in compliance with an order, the court may adjudge the person to be in civil contempt of the order. The court may impose a civil penalty against the person for contempt in an amount not less than three thousand dollars but not greater than ten thousand dollars for each violation and may grant any other relief that the court determines is just and proper in the circumstances.

Sec. 129. **NEW SECTION. 522D.9 Injunctive relief.**

1. A person may bring an action in district court to enjoin another person from acting as a navigator in violation of section 522D.2. However, before bringing an action in district court to enjoin a person pursuant to this section, the person shall file a complaint with the insurance division alleging that another person is acting as a navigator in violation of section 522D.2.

2. If the division makes a determination to proceed administratively against the person for a violation of section 522D.2, the complainant shall not bring an action in district court against the person pursuant to this section based upon the allegations contained in the complaint filed with the division.

3. If the division does not make a determination to proceed administratively against the person for a violation of section 522D.2, the division shall issue, by ninety days from the date of filing of the complaint, a release to the complainant that permits the complainant to bring an action in district court pursuant to this section.

4. The filing of a complaint with the division pursuant to this section tolls the statute of limitations pursuant to section 614.1 as to the alleged violation for a period of one hundred twenty days from the date of filing the complaint.

5. Any action brought in district court by a complainant against a person pursuant to this section, based upon the allegations contained in the complaint filed with the division, shall be brought within one year after the ninety-day period following the filing of the complaint with the division, or the date of the issuance of a release by the division, whichever is earlier.

6. If the court finds that the person is in violation of section 522D.2 and enjoins the person from acting as a navigator in violation of that section, the court's findings of fact and law, and the judgment and decree, when final, shall be admissible in any proceeding initiated pursuant to section 522D.8 by the commissioner against the person enjoined and the person enjoined shall be precluded from contesting in that proceeding the court's determination that the person acted as a navigator in violation of section 522D.2.

Sec. 130. **NEW SECTION. 522D.10 Rules.**

The commissioner may adopt rules pursuant to chapter 17A as are necessary or proper to carry out the purposes of this chapter.

Sec. 131. **NEW SECTION. 522D.11 Severability.**

If any provision of this chapter or its application to any person or circumstance is held invalid by a court of competent jurisdiction or by federal law, the invalidity does not affect other provisions or applications of the chapter that can be given effect without the invalid provision or application, and to this end the provisions of the chapter are severable and the valid provisions or applications shall remain in full force and effect.

Sec. 132. **NEW SECTION. 522D.12 Future repeal.**

If the federal law providing for the sale of qualified health benefit plans of the state is repealed by federal legislation or is ruled invalid by a decision of the United States supreme court, the commissioner shall notify the Iowa Code editor of the effective date of the repeal or the date of the ruling. This chapter is repealed on the effective date of such federal legislation or the date of the United States supreme court decision.

TERRY E. BRANSTAD, *Governor*

Dear Mr. Secretary:

I hereby transmit House File 2465, an Act relating to state and local finances by making and adjusting appropriations, providing for funding of property tax credits and reimbursements and for other matters pertaining to taxation, providing for fees and criminal penalties, providing for legal responsibilities, providing for certain insurance and employee benefits, and providing for properly related matters, and including effective date and retroactive and other applicability provisions.

House File 2465 is approved on this date with the following exception, which I hereby disapprove.

I am unable to approve of the item designated as Division VIII in its entirety. This item allows a city subject to a judgment, where the city is required to return previously collected franchise fees revenue, the ability to impose a franchise fee at the rate of up to 7.5%. A referendum approving this increase must be passed by the voters before a rate greater than 5.0% can be imposed. I am committed to continuing a tax and jobs policy discussion with the House and Senate to adopt a package of tax reductions that facilitates our long-term economic growth and job creation. It is my desire to approach tax policy in a comprehensive and holistic manner. As such, I urge members of the House and Senate to continue to work with my office on an overall tax reduction package that both fits within our sound budgeting principles while reducing those taxes that are impeding our state's ability to compete for new business and jobs.

For the above reasons, I respectfully disapprove the designated item in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in House File 2465 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, *Governor*
