32 EXPLANATION

33 This bill relates to the control of marijuana.

34 Under the bill, all types of marijuana and
35 tetrahydrocannabinols are classified as schedule I controlled

1 substances. The bill eliminates a provision classifying
2 marijuana used for medicinal purposes, pursuant to rules of the
3 board of pharmacy, as a schedule II controlled substance.

4 The bill strikes references to the authority of the board
5 to establish rules relating to the medicinal use of marijuana
6 including tetrahydrocannabinols naturally contained in a
7 cannabis plant.

8 A schedule I controlled substance is a highly addictive
9 substance that has no accepted medical use in the United States
10 and a schedule II controlled substance is a highly addictive
11 substance that has an accepted medical use in the United
12 States.

13 The penalties for possessing, manufacturing, delivering,
14 or possessing with intent to deliver marijuana including
15 tetrahydrocannabinols range from a serious misdemeanor to a
16 50-year class "B" felony depending on the amount of marijuana
17 or tetrahydrocannabinols involved in the offense.

18 A serious misdemeanor is punishable by confinement for no
19 more than one year and a fine of at least \$315 but not more than
20 \$1,875. An aggravated misdemeanor is punishable by confinement
21 for no more than two years and a fine of at least \$625 but
22 not more than \$6,250. A class "D" felony is punishable by
23 confinement for no more than five years and a fine of at
24 least \$750 but not more than \$7,500. A class "C" felony is
25 punishable by confinement for no more than 10 years and a fine
26 of at least \$1,000 but not more than \$10,000. A class "B"
27 felony is normally punishable by confinement for no more than
28 25 years. A 50-year class "B" felony or sometimes referred to
29 as a "super B" felony is punishable by confinement for no more
30 than 50 years.

31 The bill takes effect upon enactment.
