A BILL FOR

An Act relating to maximum gross weights on axles of vehicles.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section three hundred twenty-one point four
- 2 hundred sixty-three (321.463), Code 1958, is amended by striking
- 3 in line eighty-three (83) after the word, "livestock" the words,
- 4 "or passengers for hire".

EXPLANATION OF HOUSE FILE 691

In the loading of persons on busses the load may be uneven depending on where in the bus the people sit. This may result in a slight overload on one axle whereas the gross weight on any particular group of axles will be well within the weight limitations of the statute. This bill will correct this situation where this may occur and yet the bus is not overloaded.
