## A BILL FOR

An Act relating to highway safety and control of traffic at highway intersections.

*Be It Enacted by the General Assembly of the State of Iowa:*

1 Section 1. Section three hundred twenty-one point three  
2 hundred forty-five (321.345), Code 1966, is hereby amended by  
3 adding thereto the following:

4 "Wherever two or more highways intersect, the state highway  
5 commission, based on an engineering study, with reference to  
6 all primary highways, and local authorities with reference to  
7 all other highways under their jurisdiction, shall either:

8 1. Designate one of the intersecting highways as a through  
9 highway and erect stop signs or yield signs in accordance with  
10 specifications established by the state highway commission at  
11 all entrances to such intersection except the entrances on the  
12 through highway, so that all traffic except that using the  
13 through highway shall be required to stop or yield the right of  
14 way before entering such intersection; or

15 2. Designate such intersection as a stop or yield intersec-  
16 tion and erect stop signs or yield signs in accordance with  
17 specifications established by the state highway commission at  
18 all entrances to such intersection except the entrances on one  
19 of the intersecting highways, so that all traffic using the  
20 other highway or highways shall be required to stop or yield  
21 the right of way before entering such intersection.

22 Nothing herein shall prevent the erection of stop signs at

23 all entrances to an intersection.

24 In lieu of stop signs, traffic-control signals which comply  
25 with this chapter and which require traffic to stop may be used.

26 The acts required by this section shall be completed on or  
27 before July 1, 1970, with reference to all highways in existence  
28 on or before said date."

1 Sec. 2. Section three hundred twenty-one point two hundred  
2 thirty-six (321.236), Code 1966, is hereby amended by striking  
3 subsection six (6) of such section.
