24 EXPLANATION

25 This bill removes the responsibility of the counties for
26 funding any portion of the Aid to the Disabled program. This
27 will eliminate the problems now experienced by counties which
28 have a new nursing home or custodial care facility and receive
29 recipient-patients from other counties.

FISCAL NOTE
SENATE

Date Prepared: February 3, 1972

Requested by: Senator Bass

Prepared in regard to Senate File 1082, an Act relating to financial responsibility for the program of aid to the disabled. Following is the fiscal effect in dollars of the legislative proposal as required by Senate Rule 31.

This bill will shift the counties cost of funding the Aid to the Disabled program to the state.

It is estimated that this Bill will increase the State's cost and decrease the counties cost for this program by approximately \$1,149,000 for the fiscal year 1972-1973.

No estimate of the additional cost to the State can be made beyond the first year since the rate of continued Federal participation in the program cannot be predicted. The Federal Government is currently participating in the program at a rate of 58 percent.
