4 This bill increases the dollar amount which may be raised
5 by the county agricultural extension council for its annual

7 there are two separate maximum tax levies, one for extension
8 districts having a population of less than forty thousand
9 (twenty and one-fourth cents per thousand dollars) and one
10 for extension districts having forty thousand or more population
11 (thirteen and one-half cents per thousand dollars) and two
12 separate maximum dollar limitations, one for extension
13 districts having a population of fifty thousand or more (forty
14 thousand dollars) and one for extension districts having a
