Requested by Representative Woods
March 28, 1978

21
22
23 In compliance with a written request there is submitted
24 a Fiscal Note for H.F. 2296 pursuant to Joint Rule 16:

25 House File 2296, An Act relating to the payment for the operation
26 and maintenance of freeway lighting systems in cities.

27 This bill provides the department of transportation shall utilize
28 primary road funds to pay for energy and the operation and
29 maintenance of primary road freeway lighting systems situated
within the corporate boundaries of cities.

30 Based on the assumptions of maintaining the existing operation
31 facilities and no increase in utilities above the current level,
32 this proposal would have a cost increase effect of \$213,200 for
fiscal year 1979.

HOUSE FILE 2296
FISCAL NOTE

DATE: APRIL 27, 1978
REQUESTED BY: SENATOR CARR

In compliance with a written request received April 26, 19 78, there is hereby submitted a Fiscal Note for House File 2296 pursuant to Joint Rule 16. Background information used in developing this Fiscal Note is available from the Legislative Fiscal Bureau, to members of the Legislature upon request.

House File 2296, An Act relating to the payment for the operation and maintenance of freeway lighting systems in cities.

This bill provides the department of transportation shall utilize primary road funds to pay for energy and the operation and maintenance of primary road freeway lighting systems situated within the corporate boundaries of cities. It also requires the department to light any intersections within incorporated city limits which are currently unlighted.

Based on the assumptions of maintaining the existing operation facilities and no increase in utilities above the current level, this proposal would have a cost increase effect of \$213,000 for fiscal year 1979. The estimated cost of installing freeway lighting for all existing unlighted intersections within incorporated city limits is \$1,113,000. The cost of operation of the additional light is estimated at \$20,000 per year.

One-Time Expenditure	\$1,113,000
Annual Recurring Expenditure	233,000
