26 salaries and support of no more than 321 permanent full-time
27 positions in the administrative, regulatory, and laboratory
28 divisions, including 14 permanent full-time positions in the
29 Brucellosis Laboratory which are fully federally funded.
30 The intent of this appropriation is to provide adequate funds
31 to carry on current levels of needed activity within the
32 programs of the department. It specifically excludes funds
33 for expansion of restaurant inspection and licensing activities
34 pending disposition of a legislative initiative in this area.

35 This bill also appropriates funds from the general fund

1 to the Iowa Development Commission for current general office
2 programs (47 permanent full-time positions) and the European
3 office (3 permanent full-time positions). It is the intent
4 that the Iowa Development Commission, upon the approval of
5 the Executive Council, may transfer funds from the General
6 Office for use of the European Office, if necessary to insure
7 success of the program.

8 This bill appropriates funds from the general fund to the

10 premiums, and state aid (at the rate of \$2,100 per county).

11 This bill appropriates funds from the Dairy Industry Fund
12 to the Dairy Industry Commission and provides for a standing
