BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

Section 1. NEW SECTION. SMOKING DEFINED. As used in this Act, "smoking" means inhaling or exhaling the smoke of, or the possession or control of, a lighted cigarette, pipe, cigar, or little cigar as defined in section ninety-eight point forty-two (98.42), subsection sixteen (16) of the Code.

Sec. 2. NEW SECTION. SMOKING PROHIBITED IN CERTAIN AREAS. Smoking is prohibited in:

2. Those portions of a railroad passenger coach, passenger bus, passenger airplane, or other common carrier providing departures originating in this state, which portions are set aside by the person in custody or control of the carrier as non-smoking areas. Such areas shall be of sufficient capacity to accommodate all persons who do not wish to be seated in a smoking area.

3. A waiting room of a railroad or bus station or of an airport, except in areas designated by the person in custody or control of the facility as smoking areas.
