S.F. 225

1 Section 1. Section 324.34, unnumbered paragraph 3, Code
2 1983, is amended to read as follows:

3 The department of revenue shall make reasonable rules
4 governing the dispensing of special fuel by distributors,
5 special fuel dealers and licensed special fuel users. The
6 department shall require that all pumps located at special
7 fuel dealer locations and licensed special fuel user locations
8 through which fuel oil or liquefied petroleum gas can be
9 dispensed, be metered, inspected, tested for accuracy, sealed
10 and licensed by the state department of agriculture, and that
11 special fuel delivered into the fuel supply tank of any motor
12 vehicle or into a motor vehicle special fuel holding tank
13 shall be dispensed only through tested metered pumps and may
14 be sold without temperature correction or corrected to a
15 temperature of sixty degrees. If the metered gallonage is
16 to be temperature corrected, only a temperature compensated
17 meter shall be used.

18 EXPLANATION

19 The bill requires that pumps used to dispense liquefied
20 petroleum gas shall be metered, inspected, and tested for
21 accuracy, sealed, and licensed by the department of
