GOVERNOR

June 2, 1983

The Honorable Mary Jane Odell
Secretary of State
State Capitol Building
L O C A L

Dear Madam Secretary:

I hereby transmit Senate File 551, an act relating to and making appropriations to state agencies relating to and for capital projects and certain nonrecurring expenses.

Senate File 551 is approved June 2, 1983, with the following exceptions which I hereby disapprove.

I am unable to approve the items designated in the Act as Section 12, Subsection 1, paragraphs i and j, which reads as follows:

- i. For moving of the auditor of state's staff and furnishings\$ 125,000
- j. For moving of the treasurer of state's staff and furnishings\$ 125,000

I am unable to approve the item designated in the Act as Section 19 which reads as follows:

Sec. 19. There is appropriated from the general fund of the state for the fiscal year beginning July 1, 1983 and ending June 30, 1984, to the Iowa lottery agency, the sum of two million (2,000,000) dollars, or so much thereof as may be necessary, to be used to initiate a state lottery. Notwithstanding section 8.31 the Iowa lottery agency may draw funds as required to initiate the lottery within the limits of the appropriation until the lottery generates sufficient revenue to become self-supporting. The Iowa lottery agency shall reimburse the general fund for the

total amount of funds received under this section within sixty days of the date funds are no longer necessary to initiate the lottery or within sixty days of June 30, 1984, whichever is sooner.

Senate File 551 includes two provisions to appropriate \$125,000 each to the Auditor and the Treasurer for moving the staff and furnishings of those offices out of the Capitol Building. These provisions requiring the move were included in Senate File 530. I disapproved those provisions for the reasons outlined in a letter accompanying the bill. Since the move is no longer required by law, there is no reason to appropriate \$250,000 for that purpose.

This bill also contains a section which appropriates \$2 million to the Iowa lottery agency to be used as start-up costs for the state lottery approved by the legislature in House File 634. Since I disapproved House File 634 for reasons stated in a letter accompanying the bill, there is no further reason to make this appropriation.

These actions will save the state \$2.25 million in appropriations for fiscal year 1984. These reductions are fiscally prudent since the General Assembly exceeded my spending recommendations by over \$12 million.

For these reasons, I hereby disapprove these items in accordance with Amendment 4 of the Amendments of 1968 to the Constitution of the State of Iowa. All other items of Senate File 551 are hereby approved this date.

Very truly yours,

Terry E. Branstad
