1 Section 1. Section 461.2, Code 1985, is repealed.

2 EXPLANATION

3 This bill repeals the requirement that one third of the  
4 owners of land in a drainage district petition the board of  
5 supervisors before a pumping station may be established or  
6 maintained in the district. The bill would allow the board of  
7 supervisors of any county or counties to establish and  
8 maintain a pumping station in a drainage district in the same  
9 manner as provided for in the construction and maintenance of  
10 drainage districts.
