S.F. 2023

1 Section 1. Section 280.4, subsection 4, Code Supplement  
2 1989, is amended to read as follows:

3 4. In order to provide funds for the excess costs of  
4 instruction of non-English-speaking students above the costs  
5 of instruction of pupils in a regular curriculum, students  
6 identified as non-English-speaking are assigned an additional  
7 weighting that shall be included in the weighted enrollment of  
8 the school district of residence for a period not exceeding  
9 three seven years. However, the school budget review  
10 committee may grant supplemental aid or modified allowable  
11 growth, to a school district to continue funding a program for  
12 students after the expiration of the ~~three-year~~ seven-year  
13 period. The school budget review committee shall calculate  
14 the additional amount for the weighting to the nearest one-  
15 hundredth of one so that, to the extent possible, the moneys  
16 generated by the weighting will be equivalent to the moneys  
17 generated by the two-tenths weighting provided prior to July  
18 1, 1991.

19 EXPLANATION

20 This bill increases the mandatory number of years for  
21 inclusion of additional weighting to pay for the excess costs  
22 of instruction of non-English-speaking students in the  
23 weighted enrollment of a school district. The provision for  
24 optional funding after the mandatory period of inclusion is  
25 also amended to reflect the expansion to seven years.
