1 Section 1. NEW SECTION. 260.27 STUDENT TEACHING.

2 If the rules adopted by the board of educational examiners
3 for issuance of any type or class of license require an
4 applicant to complete work in student teaching, an accredited
5 college or university located within the state of Iowa and
6 states conterminous with Iowa may offer a program or programs
7 of teacher education approved by the director of the
8 department of education or the appropriate authority in states
9 conterminous with Iowa by entering into a written contract
10 with any accredited school district or private school, under
11 terms and conditions as agreed upon by the contracting
12 parties. Students actually teaching under the terms of such a
13 contract are entitled to the same protection, under section
14 613A.8, as is afforded by that section to officers and
15 employees of the school district, during the time they are so
16 assigned.

17 EXPLANATION

18 This bill reinstates the ability of school districts and
19 private schools to contract for protection for student
