3 1. There is appropriated from the fund created by section  
4 8.41 to the Iowa department of public health for the federal  
5 fiscal year beginning October 1, 1990, the following amount:

6 ..... \$ 6,107,706

7 The funds appropriated by this subsection are the funds  
8 anticipated to be received from the federal government for the  
9 designated federal fiscal year under Pub. L. No. 97-35, Title  
10 XXI, Subtitle D, as amended, which provides for the maternal  
11 and child health services block grant. The department shall  
12 expend the funds appropriated by this subsection as provided  
13 in the federal law making the funds available and in  
14 conformance with chapter 17A.

15 Of the funds appropriated in this subsection, an amount not  
16 exceeding \$58,586 shall be used for audits. The auditor of  
17 state shall bill the Iowa department of public health for the  
18 cost of the audits.

19 Funds appropriated in this subsection shall not be used by  
20 the university of Iowa hospitals and clinics for indirect  
21 costs.

22 2. 63 percent of the remaining funds appropriated in  
23 subsection 1 shall be allocated to supplement appropriations  
24 for maternal and child health programs within the Iowa  
25 department of public health. Of these funds, \$208,950 shall  
26 be set aside for the statewide perinatal care program.

27 37 percent of the remaining funds appropriated in  
28 subsection 1 shall be contracted to the university of Iowa  
29 hospitals and clinics under the control of the state board of

31 clinics. Any change in program services for mobile and  
32 regional child health specialty services shall require prior  
33 approval by the Iowa department of public health. Priority  
34 shall be given to establishment and maintenance of a statewide  
35 system of mobile and regional child-health speciality clinics.

1 3. An amount not exceeding \$150,000 of the remaining funds  
2 allocated in subsection 2, unnumbered paragraph 1, to the Iowa  
3 department of public health shall be used by the Iowa  
4 department of public health for administrative expenses in  
5 addition to the amount to be used for audits in subsection 1.

6 It is the intent of the general assembly that the  
7 departments of public health, human services, and education  
8 and the university of Iowa's mobile and regional child health  
9 specialty clinics continue to pursue to the maximum extent  
10 feasible the coordination and integration of services to women  
11 and children in selected pilot areas. It is expected that  
12 these agencies prepare a progress report for the general  
13 assembly indicating objectives accomplished and barriers en-  
14 countered in the pursuit of these integration efforts.

15 4. Those federal maternal and child health services block  
16 grant funds transferred from the federal preventive health and  
17 health services block grant funds under section 3, subsection  
18 4 of this Act for the federal fiscal year beginning October 1,  
19 1990, are transferred to the maternal and child health  
20 programs and to the university of Iowa's mobile and regional  
21 child health specialty clinics according to the percentages  
22 specified in subsection 2.

24 the statewide maternal and child health program and the  
25 crippled children's program by conducting mobile and regional  
26 child health specialty clinics and conducting other activities  
27 to improve the health of low-income women and children and to  
28 promote the welfare of children with actual or potential

3 home repairs shall not prevent the household from receiving  
4 home energy assistance.

5 Sec. 7. SOCIAL SERVICES APPROPRIATIONS.

15 The department of human services shall expend the funds  
16 appropriated by this subsection as provided in the federal law

19 2. Not more than \$1,844,952 of the funds appropriated in  
20 subsection 1 shall be used by the department of human services  
21 for general administration. From the funds set aside by this  
22 subsection for general administration, the department of human  
23 services shall pay to the auditor of state an amount  
24 sufficient to pay the cost of auditing the use and  
25 administration of the state's portion of the funds  
26 appropriated in subsection 1. The auditor of state shall bill  
27 the department of human services for the costs of the audit.

28 3. In addition to the allocation for general  
29 administration in subsection 2, the remaining funds  
30 appropriated in subsection 1 shall be allocated in the  
31 following amounts to supplement appropriations for the federal  
32 fiscal year beginning October 1, 1990, for the following

11 Sec. 8. SOCIAL SERVICES BLOCK GRANT PLAN.

12 The department of human services during each state fiscal

15 year.

16 The proposed plan shall include all programs and services  
17 at the state level which the department proposes to fund with  
18 federal social services block grant funds, and shall identify  
19 state and other funds which the department proposes to use to  
20 fund the state programs and services.

21 The proposed plan shall also include all local programs and  
22 services which are eligible to be funded with federal social  
23 services block grant funds, the total amount of federal social  
24 services block grant funds available for the local programs  
25 and services, and the manner of distribution of the federal  
26 social services block grant funds to the counties. The  
27 proposed plan shall identify state and local funds which will  
28 be used to fund the local programs and services.

29 The proposed plan shall be submitted with the department's  
30 budget requests to the governor and the general assembly.

31 Sec. 9. MENTAL HEALTH SERVICES FOR THE HOMELESS BLOCK  
32 GRANT.

33 Upon receipt of the minimum block grant from the federal

6 are chronically mentally ill and homeless or who are subject  
7 to a significant probability of becoming homeless shall do all

- 12 2. Refer clients to medical facilities for necessary  
13 hospital services, and to entities that provide primary health  
14 services and substance abuse services.
- 15 3. Provide appropriate training to persons who provide  
16 services to persons targeted by the grant.
- 17 4. Provide case management to homeless persons.
- 18 5. Provide supportive and supervisory services to certain  
19 homeless persons living in residential settings which are not  
20 otherwise supported.

21 Sec. 10. PROCEDURE FOR REDUCED FEDERAL FUNDS.

22 1. Except for section 5 of this Act, if the funds received  
23 from the federal government for the block grants specified in  
24 this Act are less than the amounts appropriated, the funds  
25 actually received shall be prorated by the governor for the  
26 various programs, other than for the rape prevention program  
27 under section 2, subsection 3 of this Act, for which each  
28 block grant is available according to the percentages that  
29 each program is to receive as specified in this Act. However,  
30 if the governor determines that the funds allocated by the  
31 percentages will not be sufficient to effect the purposes of a  
32 particular program, or if the appropriation is not allocated  
33 by percentage, the governor may allocate the funds in a manner  
34 which will effect to the greatest extent possible the purposes  
35 of the various programs for which the block grants are

1 available.

2 2. Before the governor implements the actions provided for  
3 in subsection 1, the following procedures shall be taken:

4 a. The chairpersons and ranking members of the senate and  
5 house standing committees on appropriations, the appropriate  
6 chairpersons and ranking members of subcommittees of those  
7 committees, and the director of the legislative fiscal bureau  
8 shall be notified of the proposed action.

9 b. The notice shall include the proposed allocations, and  
10 information on the reasons why particular percentages or  
11 amounts of funds are allocated to the individual programs, the  
12 departments and programs affected, and other information  
13 deemed useful. Chairpersons notified shall be allowed at  
14 least two weeks to review and comment on the proposed action  
15 before the action is taken.

16 Sec. 11. PROCEDURE FOR INCREASED FEDERAL FUNDS.

17 1. If funds received from the federal government in the  
18 form of block grants exceed the amounts appropriated in  
19 sections 1, 2, 5, and 7 of this Act, the excess shall be  
20 prorated to the appropriate programs according to the  
21 percentages specified in those sections, except additional  
22 funds shall not be prorated for administrative expenses.

23 2. If funds received from the federal government from  
24 block grants exceed the amounts appropriated in section 6 of  
25 this Act, at least 10 percent and not more than 15 percent of  
26 the excess shall be allocated to the low-income weatherization  
27 program.

28 3. If funds received from the federal government from  
29 community services block grants exceed the amounts  
30 appropriated in section 3 of this Act, 100 percent of the  
31 excess is allocated to the community services block grant  
32 program.

33 Sec. 12. PROCEDURE FOR CONSOLIDATED, CATEGORICAL, OR  
34 EXPANDED FEDERAL BLOCK GRANTS.

35 Notwithstanding section 8.41, federal funds made available

1 to the state which are authorized for the federal fiscal year  
2 beginning October 1, 1990, resulting from the federal  
3 government consolidating former categorical grants into block  
4 grants, or which expand block grants included in Pub. L. No.  
5 97-35, to include additional programs formerly funded by  
6 categorical grants, which are not otherwise appropriated by  
7 the general assembly, are appropriated for the programs  
8 formerly receiving the categorical grants, subject to the  
9 conditions of this section. The governor shall, whenever  
10 possible, allocate from the block grant to each program in the  
11 same proportion as the amount of federal funds received by the  
12 program during the 1990 federal fiscal year as modified by the  
13 1990 Session of the Seventy-third Iowa General Assembly for  
14 the state fiscal year beginning July 1, 1990, compared to the  
15 total federal funds received in the federal fiscal year by all  
16 programs consolidated into the block grant. However, if one  
17 agency did not have categorical funds appropriated for the  
18 federal fiscal year beginning October 1, 1989, but had  
19 anticipated applying for funds during the federal fiscal year  
20 beginning October 1, 1990, the governor may allocate the funds  
21 in order to provide funding.

22 If the amount received in the form of a consolidated or  
23 expanded block grant is less than the total amount of federal  
24 funds received for the programs in the form of categorical  
25 grants for the 1990 federal fiscal year, state funds  
26 appropriated to the program by the general assembly to match  
27 the federal funds shall be reduced by the same proportion of  
28 the reduction in federal funds for the program. State funds  
29 released by the reduction shall be deposited in a special fund  
30 in the state treasury and are available for appropriation by

1 Section 1. MATERNAL AND CHILD HEALTH SERVICES

2 APPROPRIATIONS.

3 1. There is appropriated from the fund created by section  
4 8.41 to the Iowa department of public health for the federal  
5 fiscal year beginning October 1, 1990, the following amount:  
6 ..... \$ 6,107,706

7 The funds appropriated by this subsection are the funds  
8 anticipated to be received from the federal government for the  
9 designated federal fiscal year under Pub. L. No. 97-35, Title  
10 XXI, Subtitle D, as amended, which provides for the maternal  
11 and child health services block grant. The department shall  
12 expend the funds appropriated by this subsection as provided  
13 in the federal law making the funds available and in  
14 conformance with chapter 17A.

15 Of the funds appropriated in this subsection, an amount not  
16 exceeding \$58,586 shall be used for audits. The auditor of  
17 state shall bill the Iowa department of public health for the  
18 cost of the audits.

19 Funds appropriated in this subsection shall not be used by  
20 the university of Iowa hospitals and clinics for indirect  
21 costs.

22 2. 63 percent of the remaining funds appropriated in  
23 subsection 1 shall be allocated to supplement appropriations  
24 for maternal and child health programs within the Iowa  
25 department of public health. Of these funds, \$208,950 shall  
26 be set aside for the statewide perinatal care program.

27 37 percent of the remaining funds appropriated in  
28 subsection 1 shall be contracted to the university of Iowa  
29 hospitals and clinics under the control of the state board of

1 3. An amount not exceeding \$150,000 of the remaining funds  
2 allocated in subsection 2, unnumbered paragraph 1, to the Iowa  
3 department of public health shall be used by the Iowa  
4 department of public health for administrative expenses in  
5 addition to the amount to be used for audits in subsection 1.

6 It is the intent of the general assembly that the  
7 departments of public health, human services, and education  
8 and the university of Iowa's mobile and regional child health  
9 specialty clinics continue to pursue to the maximum extent  
10 feasible the coordination and integration of services to women  
11 and children in selected pilot areas. It is expected that  
12 these agencies prepare a progress report for the general  
13 assembly indicating objectives accomplished and barriers en-  
14 countered in the pursuit of these integration efforts.

15 4. Those federal maternal and child health services block  
16 grant funds transferred from the federal preventive health and  
17 health services block grant funds under section 3, subsection  
18 4 of this Act for the federal fiscal year beginning October 1,  
19 1990, are transferred to the maternal and child health  
20 programs and to the university of Iowa's mobile and regional  
21 child health specialty clinics according to the percentages  
22 specified in subsection 2.

24 the statewide maternal and child health program and the  
25 crippled children's program by conducting mobile and regional  
26 child health specialty clinics and conducting other activities  
27 to improve the health of low-income women and children and to

16 Sec. 10. PROCEDURE FOR REDUCED FEDERAL FUNDS.

17 1. Except for section 5 of this Act, if the funds received  
18 from the federal government for the block grants specified in  
19 this Act are less than the amounts appropriated, the funds  
20 actually received shall be prorated by the governor for the  
21 various programs, other than for the rape prevention program  
22 under section 2, subsection 3 of this Act, for which each  
23 block grant is available according to the percentages that  
24 each program is to receive as specified in this Act. However,  
25 if the governor determines that the funds allocated by the  
26 percentages will not be sufficient to effect the purposes of a  
27 particular program, or if the appropriation is not allocated  
28 by percentage, the governor may allocate the funds in a manner  
29 which will effect to the greatest extent possible the purposes  
30 of the various programs for which the block grants are  
31 available.

32 2. Before the governor implements the actions provided for  
33 in subsection 1, the following procedures shall be taken:

34 a. The chairpersons and ranking members of the senate and  
35 house standing committees on appropriations, the appropriate

1 chairpersons and ranking members of subcommittees of those  
2 committees, and the director of the legislative fiscal bureau  
3 shall be notified of the proposed action.

4 b. The notice shall include the proposed allocations, and  
5 information on the reasons why particular percentages or  
6 amounts of funds are allocated to the individual programs, the  
7 departments and programs affected, and other information  
8 deemed useful. Chairpersons notified shall be allowed at  
9 least two weeks to review and comment on the proposed action  
10 before the action is taken.

11 Sec. 11. PROCEDURE FOR INCREASED FEDERAL FUNDS.

12 1. If funds received from the federal government in the  
13 form of block grants exceed the amounts appropriated in  
14 sections 1, 2, and 5 of this Act, the excess shall be prorated  
15 to the appropriate programs according to the percentages  
16 specified in those sections, except additional funds shall not  
17 be prorated for administrative expenses.

18 2. If funds received from the federal government from  
19 block grants exceed the amounts appropriated in section 6 of  
20 this Act, at least 10 percent and not more than 15 percent of  
21 the excess shall be allocated to the low-income weatherization  
22 program.

23 3. If funds received from the federal government from  
24 community services block grants exceed the amounts  
25 appropriated in section 3 of this Act, 100 percent of the  
26 excess is allocated to the community services block grant  
27 program.

28 4. If funds received from the federal government from the  
29 social services block grant exceed the amounts appropriated in  
30 section 7 of this Act, 100 percent of the excess shall be  
31 allocated to local administrative costs and other local  
32 services.

33 Sec. 12. PROCEDURE FOR CONSOLIDATED, CATEGORICAL, OR  
34 EXPANDED FEDERAL BLOCK GRANTS.

35 Notwithstanding section 8.41, federal funds made available

1 to the state which are authorized for the federal fiscal year  
2 beginning October 1, 1990, resulting from the federal  
3 government consolidating former categorical grants into block  
4 grants, or which expand block grants included in Pub. L. No.  
5 97-35, to include additional programs formerly funded by  
6 categorical grants, which are not otherwise appropriated by  
7 the general assembly, are appropriated for the programs  
8 formerly receiving the categorical grants, subject to the  
9 conditions of this section. The governor shall, whenever  
10 possible, allocate from the block grant to each program in the  
11 same proportion as the amount of federal funds received by the  
12 program during the 1990 federal fiscal year as modified by the  
13 1990 Session of the Seventy-third Iowa General Assembly for  
14 the state fiscal year beginning July 1, 1990, compared to the  
15 total federal funds received in the federal fiscal year by all  
16 programs consolidated into the block grant. However, if one  
17 agency did not have categorical funds appropriated for the  
18 federal fiscal year beginning October 1, 1989, but had  
19 anticipated applying for funds during the federal fiscal year  
20 beginning October 1, 1990, the governor may allocate the funds  
21 in order to provide funding.

22 If the amount received in the form of a consolidated or  
23 expanded block grant is less than the total amount of federal  
24 funds received for the programs in the form of categorical  
25 grants for the 1990 federal fiscal year, state funds  
26 appropriated to the program by the general assembly to match  
27 the federal funds shall be reduced by the same proportion of  
28 the reduction in federal funds for the program. State funds  
29 released by the reduction shall be deposited in a special fund  
30 in the state treasury and are available for appropriation by  
31 the general assembly. The governor shall notify the  
32 chairpersons and ranking members of the senate and house  
33 standing committees on appropriations, the appropriate  
34 chairpersons and ranking members of the subcommittees of those  
35 committees, and the legislative fiscal director before making

1 the allocation of federal funds or any proportional reduction  
2 of state funds under this section. The notice shall state the  
3 amount of federal funds to be allocated to each program, the  
4 amount of federal funds received by the program during the  
5 1990 federal fiscal year, the amount by which state funds for  
6 the program will be reduced according to this section and the  
7 amount of state funds received by the program during the 1990  
8 fiscal year. Chairpersons notified shall be allowed at least  
9 two weeks to review and comment on the proposed action before  
10 the action is taken.

11 If the amount received in the form of a consolidated or  
12 expanded block grant is more than the total amount of federal  
13 funds received for the programs in the form of categorical  
14 grants for the 1990 federal fiscal year, the excess funds  
15 shall be deposited in the special fund created in section 8.41  
16 and are subject to the provisions of that section.

17 Sec. 13. APPLICATIONS FOR FEDERAL AND NONSTATE FUNDS.

18 It is the intent of the general assembly that all agencies

22 constitutional or statutory duties and responsibilities.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

**Sec. 10. PROCEDURE FOR REDUCED FEDERAL FUNDS.**

1. Except for section 5 of this Act, if the funds received from the federal government for the block grants specified in this Act are less than the amounts appropriated, the funds actually received shall be prorated by the governor for the various programs, other than for the rape prevention program under section 2, subsection 3 of this Act, for which each

block grant is available according to the percentages that each program is to receive as specified in this Act. However, if the governor determines that the funds allocated by the percentages will not be sufficient to effect the purposes of a particular program, or if the appropriation is not allocated by percentage, the governor may allocate the funds in a manner which will effect to the greatest extent possible the purposes of the various programs for which the block grants are available.

2. Before the governor implements the actions provided for in subsection 1, the following procedures shall be taken:

a. The chairpersons and ranking members of the senate and house standing committees on appropriations, the appropriate chairpersons and ranking members of subcommittees of those committees, and the director of the legislative fiscal bureau shall be notified of the proposed action.

Chairpersons notified shall be allowed at least two weeks to review and comment on the proposed action before the action is taken.

**Sec. 11. PROCEDURE FOR INCREASED FEDERAL FUNDS.**

1. If funds received from the federal government in the form of block grants exceed the amounts appropriated in sections 1, 2, and 5 of this Act, the excess shall be prorated to the appropriate programs according to the percentages specified in those sections, except additional funds shall not be prorated for administrative expenses.

4. If funds received from the federal government from the social services block grant exceed the amounts appropriated in section 7 of this Act, 100 percent of the excess shall be allocated to local administrative costs and other local services.

**Sec. 12. PROCEDURE FOR CONSOLIDATED, CATEGORICAL, OR EXPANDED FEDERAL BLOCK GRANTS.**

Notwithstanding section 8.41, federal funds made available to the state which are authorized for the federal fiscal year beginning October 1, 1990, resulting from the federal government consolidating former categorical grants into block grants, or which expand block grants included in Pub. L. No. 97-35, to include additional programs formerly funded by categorical grants, which are not otherwise appropriated by the general assembly, are appropriated for the programs formerly receiving the categorical grants, subject to the conditions of this section. The governor shall, whenever possible, allocate from the block grant to each program in the same proportion as the amount of federal funds received by the program during the 1990 federal fiscal year as modified by the 1990 Session of the Seventy-third Iowa General Assembly for the state fiscal year beginning July 1, 1990, compared to the total federal funds received in the federal fiscal year by all programs consolidated into the block grant. However, if one agency did not have categorical funds appropriated for the federal fiscal year beginning October 1, 1989, but had anticipated applying for funds during the federal fiscal year beginning October 1, 1990, the governor may allocate the funds in order to provide funding.

If the amount received in the form of a consolidated or expanded block grant is less than the total amount of federal

funds received for the programs in the form of categorical grants for the 1990 federal fiscal year, state funds appropriated to the program by the general assembly to match the federal funds shall be reduced by the same proportion of the reduction in federal funds for the program. State funds released by the reduction shall be deposited in a special fund in the state treasury and are available for appropriation by the general assembly. The governor shall notify the chairpersons and ranking members of the senate and house standing committees on appropriations, the appropriate chairpersons and ranking members of the subcommittees of those committees, and the legislative fiscal director before making the allocation of federal funds or any proportional reduction of state funds under this section. The notice shall state the amount of federal funds to be allocated to each program, the amount of federal funds received by the program during the 1990 federal fiscal year, the amount by which state funds for the program will be reduced according to this section and the amount of state funds received by the program during the 1990 federal fiscal year. Chairpersons notified shall be allowed at least two weeks to review and comment on the proposed action before the action is taken.

If the amount received in the form of a consolidated or expanded block grant is more than the total amount of federal funds received for the programs in the form of categorical grants for the 1990 federal fiscal year, the excess funds shall be deposited in the special fund created in section 8.41 and are subject to the provisions of that section.
