1 Section 1. Section 442.39A, Code 1991, is amended to read
2 as follows:

3 442.39A SUPPLEMENTARY WEIGHTING AND SCHOOL REORGANIZATION.

4 In determining weighted enrollment under section 442.4, if
5 the board of directors of a school district has approved a
6 contract for sharing under section 442.39, subsection 2 or 4,
7 and the school district has initiated an action prior to
8 November 30, 1990, to bring about a reorganization, the
9 reorganized school district shall include, for a period of
10 five years following the effective date of the reorganization,
11 additional pupils added by the application of the
12 supplementary weighting plan, equal to the pupils added by the
13 application of the supplementary weighting plan in the year
14 preceding the reorganization. However, the weighting shall be
15 reduced by the supplementary weighting added for a pupil whose
16 residency is not within the reorganized district. For those
17 districts, in which the fifth year of sharing will take place
18 during the school year commencing July 1, 1990, and ending
19 June 30, 1991, and which will reorganize effective during the
20 school year commencing July 1, 1993, the additional pupils
21 added under the supplementary weighting plan shall be equal to
22 the pupils added by the application of the supplementary
23 weighting plan in the fifth year of the contract for sharing.
24 For purposes of this section, a reorganized district is one in
25 which the reorganization was approved in an election pursuant
26 to sections 275.18 and 275.20 and takes effect on or after
27 July 1, 1986.
