17 EXPLANATION

18 This bill amends chapter 137B, regulating classes of food

20 currently defined to mean a place where food is prepared and  
21 intended for individual portion service regardless of whether  
22 consumption is on or off the premises.

23 This bill creates a new class of establishment referred to  
24 as transient food service establishment which is defined to  
25 mean a food service establishment which operates at various  
26 locations during a year, if the establishment does not operate  
27 at one location for more than 12 consecutive days in  
28 conjunction with a single event or celebration. An annual  
29 report required to be filed by a local board of health  
30 relating to licenses issued to establishments regulated under  
31 the chapter must include transient food service  
32 establishments. An annual fee of \$40 must be paid for  
33 issuance of a license to operate a transient food service  
34 establishment.
