S.F. 286

1 Section 1. Section 709.17, Code 1997, is amended to read  
2 as follows:

3 709.17 POLYGRAPH EXAMINATIONS OF VICTIMS OR WITNESSES --  
4 LIMITATIONS.

5 A criminal or juvenile justice agency shall not request or  
6 require a person claiming to be a victim of sexual abuse or  
7 claiming to be a witness regarding the sexual abuse of another  
8 person to submit to a polygraph or similar examination as a  
9 precondition to the agency conducting an investigation into  
10 the matter. ~~An agency wishing to perform~~ A victim or witness

13 the following prior to the examination:

14 1. That taking the polygraph examination is voluntary.

15 2. That the results of the examination are not admissible  
16 in court.

17 3. That the person's decision to submit or refuse a  
18 polygraph examination will not be the sole basis for a  
19 decision by the agency to investigate or not to investigate  
20 the matter.

21 ~~An agency which declines to investigate an alleged case of~~

25 ~~pursue the investigation at the request of the person.~~

26 EXPLANATION

27 This bill makes changes in the current requirements for the  
28 taking of polygraph examinations of victims of or witnesses to  
29 sexual abuse. Under the bill, a criminal or juvenile justice  
30 agency may no longer request a polygraph examination as a  
31 precondition to an investigation. Currently, those agencies  
32 are prohibited from requiring the examination as a  
33 precondition to investigation. The requirement that agencies  
34 wishing to perform a polygraph examination must inform the  
35 person to be examined that the polygraph is voluntary, that

1 the results are not admissible, and that the decision to  
2 submit or not to submit will not be the sole basis for a  
3 decision to investigate or not to investigate is changed to  
4 simply require that a person who requests to submit to a  
5 polygraph be so informed prior to submission to the  
6 examination. Language currently requiring the criminal or  
7 juvenile justice agency to send an explanation of why an  
8 investigation was not pursued to a sexual abuse victim or  
9 witness, if the agency did not investigate and the person  
10 decided not to submit to the polygraph, is deleted.
