SF 2160 SMALL BUS., ECON. DEV. & TOUR.

1 Section 1. DRY FIRE HYDRANTS. For purposes of the dry
2 fire hydrant and rural water supply education and
3 demonstration project created in 1998 Iowa Acts, chapter 1219,
4 and administered by the department of economic development,
5 "dry fire hydrant" means a water supply system permanently
6 installed in existing lakes, ponds, streams, holding tanks, or
7 other water sources that provide a ready means of water to be
8 transported by a fire tanker truck.

9 EXPLANATION

10 This bill relates to the dry fire hydrant and rural water
11 supply education and demonstration project created in 1998
12 Iowa Acts, chapter 1219, and administered by the department of
13 economic development. The bill defines the term "dry fire
14 hydrant", for purposes of the project, to mean a water supply
15 system permanently installed in existing lakes, ponds,
16 streams, holding tanks, or other water sources that provide a
17 ready means of water to be transported by a fire tanker truck.
