

Comment Report

SSB 1071

A bill for an act relating to the calculation of education funding for children living in certain facilities and including applicability provisions.(See SF 287.)

Subcommittee Members: Sweeney-CH, Giddens, Taylor, J.

Date: 02/02/2021

Time: 08:30 AM

Location: RM 24A

Name: Margaret Buckton

Comment: this bill is really a technical correction to billing practices for some students in facilities. the formula in current law is prorated based on months, which has to be calculated as a fraction since students are in the facilities for portions of months or multiple months. Changing the reference to days is more easily understood and implemented. We have no objections to this bill moving forward and it makes sense to fix this nuance in the statute.
