

Comment Report

SF 143

A bill for an act prohibiting a county or city from adopting, enforcing, or administering legislation specific to a dog breed.

Subcommittee Members: Cournoyer-CH, Celsi, Koelker

Date: 02/01/2021

Time: 03:30 PM

Location: RM 24A

Name: Preston Moore

Comment: The Humane Society of the United States and our coalition of animal welfare organizations that serve virtually every corner of the state of Iowa strongly support Senate File 143. Experts agree that breedspecific legislation (BSL) and similar policies that restrict dogs based on appearance do not reduce dog bites in communities or enhance public safety.

End breed-specific legislation (BSL) in Iowa.
