

Comment Report

HF 90

A bill for an act prohibiting discrimination in housing provided to persons with a disability or disability-related need for an assistance animal and providing penalties.

Subcommittee Members: Kaufmann-CH, Oldson, Salmon

Date: 02/03/2021

Time: 08:15 AM

Location: House Lounge 2

Name: Andrew Lietzow

Comment: We fully support this bill as it provides clarifications which will help both landlords and tenants gain a better understanding of everyone's responsibilities regarding Assistance and Service Animals. In our opinion, neither the rental housing industry nor residents will gain special preference nor be disadvantaged as a result of passage of this bill. It appears to be fair and balanced for all parties.
