

Comment Report

SF 508

A bill for an act relating to abortion information and data, including a public dashboard and public awareness measures, and providing civil penalties.

Subcommittee Members: Johnson-CH, Celsi, Schultz

Date: 03/04/2021

Time: 10:30 AM

Location: 217 Conference Room

Name: Lori Hunt

Comment: Just when you think that we can't have any more crazy ideas to emerge from this legislature this is in subcommittee today. You all can't even wear masks at the Capitol and yet you present this? Where is the fiscal breakdown? You can't even start to come up with solutions to address maternal health issues. But yet, this pathetic. Please don't advance this bill.
