

Comment Report

HSB 500

A bill for an act relating to the classification of property enrolled in the federal conservation reserve program and including applicability provisions.(See HF 2164.)

Subcommittee Members: Latham-CH, Hansen, Ingels

Date: 01/13/2022

Time: 01:00 PM

Location: House Lounge

Name: Amy Stevenson

Comment: This contradicts the laws on classification that primary use must be the first test in classification. While I agree that most CRP qualifies as agricultural there could be situations where residential or commercial could be the primary classification of the parcel, which is the first test in classification of property.
