

# Comment Report

SSB 1001

A bill for an act relating to the maximum age of certain fire fighters and peace officers, and including effective date provisions.(See SF 183.)

Subcommittee Members: Bousselot-CH, Boulton, Webster

Date: 01/12/2023

Time: 02:15 PM

Location: Senate Lounge

**Name:** Anne Spencer

**Comment:** Vote against state funded vouchers for private schools! This goes against everything our educational system stands for. Our free and public education was designed to educate a populous that understands and supports our democracy. Tax dollars in Iowa have always been used to provide a quality education for all. Vouchers will adversely affect the quality of education in our state, for ALL students. As an educator, I strongly oppose this bill!
