

Comment Report

Economic Development Appropriations Subcommittee

Date: 02/05/2024

Time: 11:00 AM

Location: RM 315

Name: Tamara Prenosil

Comment: HSB 670 Please retain the requirement that Boards and Commissions seek gender balance. If gender balance has not been achieved after 90 days of "good faith effort", the positions can be filled from available candidates. Genderbalanced Boards and Commissions take advantage of a diversity of backgrounds and promote outcomes that affect a broader community.
