Comment: If were going to do a special plate for the army (Special Forces) we need to consider changing or amending this language so those of us that served honorably in the USMC, arent left out. The USMC special forces is called USMC Force ReconPlease reach back to me by email or cell and let me know what you will be doing regarding this bill.ThanksDan GannonUSMCEmail : gannonobx@aol.comCell: 5159915257.
