**Comment:** The health of our youth is far more important than any business profit. HSB682 protects our children from products that can have lifelong consequences. Please support HSB682 and keep our kids healthy!

**Name:** Denise Bubeck

**Comment:** Our children depend on good policy to keep them safe. By passing HSB682, we can ensure that Iowa kids are protected from dangerous and illegal flavored disposable vaping products. HSB682 is vital legislation that must be passed!

**Comment:** Removing these products that are already federally illegal from our stores is the most powerful way the state can show they care about the health. There is no evidence these products reduce tobacco use. The only purpose these products serve is to addict children to nicotine and generate profit for retailers.
