## COMMITTEE MINUTES for TRANSPORTATION

Date: *February 6, 2013*

Location: *Room 103*

Convened: *2:00 PM*

Adjourned: *2:50 PM*

### Attendance Roll Call:

Present: Representatives Byrnes-CH, Moore-VC, Lykam-RM, Cohoon, Forbes, Forristall, Heartsill, Huseman, Jorgensen, Kaufmann, Landon, Miller, H, Murphy, Olson, S, Pettengill, Rayhons, Riding, Rogers, Stutsman

Absent: None

Excused: Representatives Olson, R, Wolfe

The meeting was called to order at 2:04pm.

The minutes from the last meeting were approved.

County Supervisor Harlan Hansen of Humboldt County and County Engineer Paul Jacobsen presented the county perspective regarding transportation related issues.

- A “Posting” is a notice of a weight limit on a bridge. Most of these will not support modern agricultural equipment.
- Budget considerations: If a bridge is functionally obsolete or structurally deficient federal funding is available.
- Concrete boxes are more affordable than steel culverts. Prices are between \$80,000 and \$100,000 for the boxes.

The meeting was adjourned at 2:48pm.
