**Adjournment.** The Commission recessed from 11:20 a.m. to 11:30 a.m. The Commission adjourned at 12:25 p.m.

### II. Public Hearings.

The Commission tentatively scheduled a public hearing in Council Bluffs on April 4, 2011, in the Davenport area on April 5, 2011, in Cedar Rapids on April 6, 2011, and in Des Moines on April 7, 2011. The Commission agreed to provide Iowa Communications Network (ICN) locations for the public hearings in Council Bluffs and Cedar Rapids. The Commission expressed the desire to locate one public hearing in each congressional district proposed under the redistricting plan to be submitted to the General Assembly on March 31, 2011. The Commission decided one of the two ICN public hearings could be moved if necessary to accommodate the desire to locate one meeting in each proposed congressional district. The Commission requested the Legislative Services Agency to make the necessary arrangements for each public hearing.

The Commission determined that a person desiring to speak at one of the public hearings will be required to sign in prior to the meeting. The Commission also determined a list of all attendees at each public hearing should be compiled. Each speaker at the public hearings will be allowed three minutes to present his or her views. Written comments will be accepted by the Legislative Services Agency through a moderated listserve on the Internet. The public hearings located in Davenport and Des Moines will take place from 7:00 p.m. to 9:00 p.m. The public hearings with ICN origination in Council Bluffs will take place from 6:00 p.m. to 8:30 p.m. and in Cedar Rapids from 6:30 p.m. to 9:00 p.m.
