- ARC 2732C Proposed amendments to ch 7 regarding the immunization registry information system are related to the meningococcal vaccine, the confidentiality and release of information, and access to the system.
In response to questions from Sen. Costello, Mr. Callaghan stated that the meningococcal vaccine is effective in preventing a bacterial infection in an individual and explained the requirements for immunization of seventh and twelfth graders. In response to questions from Rep. Pettengill, Mr. Callaghan stated that the number of meningococcal disease cases has declined over the years and there is an average of five cases annually, that the disease has a significant impact on individuals who contract it, and that there are two manufacturers of the vaccine. At the request of Rep. Pettengill, Mr. Callaghan will provide the committee with the age breakdown of the five most recent cases of meningococcal disease in Iowa.
- ARC 2733C No questions on proposed amendments to ch 127 regarding payment for services for county medical examiners. Rep. Pettengill commended the rules and the collaboration between the department and the auditors.

ARC 2737C Proposed amendments to chs 42, 52 and 58 pertain to the calculation of the alternative minimum tax (AMT) credit.

In response to a question from Rep. Pettengill, Mr. Humes stated that within the statute of limitations, taxpayers affected by the change in rule of the calculation of the AMT credit would receive refunds.

ARC 2739C No action on amendments to 46.3(3) regarding the verified summary of payments report and electronic filing of W-2 and 1099 forms related to withholding.

TREASURER OF STATE Karen Austin and Adam Phillips represented the treasurer of state. Other interested parties included Paula Dierenfeld on behalf of the Federation of Iowa Insurers.

ARC 2716C Proposed ch 9 pertains to unclaimed property. Ms. Austin reviewed the proposed rules and explained which rules would be revised or not adopted because of public comment received, including 9.14 to 9.17 regarding insurance property.

In response to a question from Sen. Jochum, Ms. Austin stated that just over \$320 million is held in the unclaimed property account and that approximately \$219 million in unclaimed property has been returned.

Ms. Dierenfeld expressed concern regarding the rules related to insurance property and estimation techniques by third-party auditors and acknowledged Ms. Austin's earlier statement of the treasurer's intention not to adopt these rules.

UTILITIES DIVISION Cecil Wright and Katelyn Lynch-Butcher represented the division.

ARC 2711C No action on amendments to chs 10, 19, 20 and 25 concerning updates and corrections to the natural gas and electric safety standards.

ARC 2714C The proposed rescission of ch 30 pertains to tax reform revenue adjustment.

In response to a question from Rep. Heddens regarding the decision not to hold a public hearing, Mr. Wright stated that the statute which the rules implement was repealed in 1990 and any effect of the rules would have been taken into account in the rates that are being paid.

Committee business The minutes of the September 13, 2016, meeting were approved.

The next meeting was scheduled for Monday, November 14, 2016, at 9 a.m.

Committee business (continued)

Mr. Ewing discussed the rule making by the Ombudsman, which is exempt from the rule-making process set forth in Iowa Code chapter 17A and whose rules are not subject to committee review. Mr. Ewing explained that as has been the practice in the past, the Ombudsman has presented the rule making to the committee as a courtesy prior to publication in the 10/26/16 IAB and that the Acting Ombudsman, Kristie Hirschman, was present to answer any questions. There were no questions concerning the rule making.

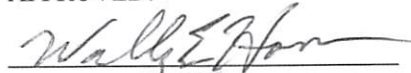

Adjourned

The meeting was adjourned at 11:10 a.m.

Respectfully submitted,

Stephanie A. Hoff
