The Ethics Committee meeting was called to order at 10:00 a.m. by Senator Behn. Roll call was taken. Senator Behn asked for approval of the minutes from the previous meeting [4/17/18].

Minutes were approved.

Chairman Behn made an opening statement regarding the submitted complaint regarding Senator Nate Boulton. Sen. Behn stated that this meeting was not a hearing, but rather to consider whether the committee had jurisdiction to consider the complaint.

Sen. Guth moved to dismiss the complaint as the committee had no jurisdiction over conduct by a member of the general public prior to that person becoming a Senator.

Complaint was dismissed by a unanimous roll call vote.

Senator Jerry Behn
