The meeting was called to order by Senator Rielly, Chair, at 4:05. Roll call was taken; a quorum was present. The minutes from the previous meeting were approved unanimously.

Shirley Andre, DOT, made a presentation on the centralized issuance of drivers licenses, which will begin in the third quarter of 2009. Centralized issuance will mean that instead of leaving the office with a new license, the customer will be given a form of temporary license good for 30 days. The new license will be mailed from a centralized location in approximately 10 days, with provisions for emergency issuance if needed.

A question-and-answer period followed the presentation.

Senator McCoy moved to arise at 4:30.
