The Veterans Affairs Committee was called to order by Representative Royd Chambers. Roll call was taken and the minutes were approved.

The Chair reognized Representative Shaw for SF 399. An act regulating the advertising of veterans benefits appeal services by requiring certain disclosures and including a civil penalty. Representative Shaw was recognized for opening remarks. After discussion, Representative Shaw gave his closing remarks and then moved the bill. SF 399 passed unanimously and will move to the floor as a SF.
