Chair McCoy called the meeting to order at 10:05am. The roll was called and a quorum was declared present.

The minutes from the previous meeting were approved.

Opening comments were given by Chairman McCoy, welcoming representatives from the following state Departments:

Commissioner Larry Noble - Dept. of Public Safety

Deputy Director Brad Hier - Dept. of Corrections

Conservation and Recreation Division Administrator Chuck Corell - Dept. of Natural Resources

Director Paul Trombino - Dept. of Transportation

After opening statements from each of the Departments, questions from the members were answered. Discussion included the status of radio communication upgrades to meet the federal narrowbanding mandate and efforts being made toward achieving interoperability through a statewide network.

There being no further business to come before the committee, Representative Oldson moved that we adjourn.
