The chair asked for unanimous consent to go into committee as a whole for subcommittee work on the bill. Seeing no objections, the committee was dissolved into a committee of the whole. There were no questions or comments so the vote was called for and the bill passed on a short form vote with all yes votes and one absent.

The committee of a whole was dissolved and they returned to full committee. HF 2473 was brought forward, voted on short form and passed out of committee.

Senator Hogg moved approval of minutes of last meeting. This motion passed so minutes are approved.
