The Toll of Abortion

The United States of America is on a path to financial suicide by promising welfare benefits to seniors it cannot sustain partly because we abort so many of our unborn children based on a woman's right to privacy.

The Toll of Abortion

Martin Luther King, Jr.] once said, “The Negro cannot win as long as he is willing to sacrifice the lives of his children for comfort and safety.” How can the “Dream” survive if we murder the children? Every aborted baby is like a slave in the womb of his or her mother. The mother decides his or her fate.¹

“Fake” Love

“I used her she used me but neither one cared...”

We defraud one another rather than honor God with our body

That each one should know how to possess his own body in consecration and honor. Not in the passion of lust like the heathen...That no man transgress and overreach his brother and defraud him in this matter...(1Thess. 4:5,6)
