b. The annual amount of the forgivable loan to an eligible chiropractic student is determined by dividing the annual appropriation by the number of eligible students.

c. Eligible students who borrowed prior to July 1, 1999, and seek additional assistance, must agree to practice in an underserved area in Iowa to qualify for cancellation benefits for all loans.

d. Notwithstanding the foregoing, the amount of a forgivable loan for an eligible chiropractic student shall not exceed the student’s annual cost of tuition and fees.

32.1(3) Criteria for selection of recipients. Rescinded IAB 9/8/99, effective 10/13/99.

32.1(4) Promissory note. The chiropractic recipient of a loan under this program shall sign a promissory note agreeing to practice chiropractic in an underserved area in Iowa for one full year for each loan received or to repay the loan and accrued interest according to repayment terms specified in the note.

32.1(5) Interest rate. The rate of interest on loans under this program shall be at the rate of 10.5 percent per annum on the unpaid principal balance.

32.1(6) Disbursement of loan proceeds.

a. The full loan amount will be disbursed when the college certifies that the borrower is an Iowa resident and enrolled in good standing.

b. The loan check will be made copayable to the borrower and Palmer College of Chiropractic and will be sent to the college within ten days following the receipt of the proper certification.

c. The college will deliver the check to the student and require that the loan check be endorsed to the college to be applied directly to the borrower's tuition account.

d. If the student withdraws from attendance and is entitled to a refund of tuition and fees, the pro-rata share of the refund attributable to the state loan must be refunded to the commission.

32.1(7) *Loan cancellations.*

a. Thirty days following the termination of enrollment at Palmer College of Chiropractic or termination of a chiropractic practice in the state of Iowa, the borrower shall notify the commission of the nature of the borrower's employment or educational status.

b. To certify eligibility for cancellation, the borrower must submit to the commission an affidavit from the state licensing board verifying that the borrower practiced as a licensed chiropractor in the state of Iowa for 12 consecutive months for each annual loan to be canceled.

c. If the borrower qualifies for partial loan cancellation, the commission shall notify the borrower promptly and revise the repayment schedule accordingly.

d. In the event of death or total and permanent disability, a borrower's obligation to pay this loan is canceled. Borrowers seeking forgiveness as a result of total or permanent disability must submit sufficient information substantiating the claim to the commission. Reports of a borrower's death will be referred to the licensing board for confirmation.

32.1(8) *Loan payments.*

a. Prior to the start of the repayment period, the commission shall provide the borrower with a repayment schedule, modified to reflect any applicable cancellation benefits.

b. It shall be the borrower's responsibility to remit payments to the commission by the fifteenth day of each month.

c. c. Repayment of the borrower's loan obligation under this loan program is not required during periods of enrollment as a student at Palmer College of Chiropractic.

d. Forbearance is a revision in repayment terms to temporarily postpone payments. It may be granted when a borrower experiences a temporary hardship and is willing but unable to pay in accordance with the repayment schedule. Borrowers remain responsible for interest accrual during forbearance periods. The program administrator may grant forbearance for periods of less than six months; periods of greater than six months but less than one year must be approved by the executive director. Forbearance periods exceeding one year must be approved by the commission.

e. Borrowers failing to meet the service requirement shall be required to repay the loan on a pro-rated basis. The prorated balance will be calculated by dividing the number of days remaining in the service period by the number of days in the service period multiplied by the loan amount.

f. Loans not forgiven may be sold to a bank, savings and loan association, credit union, or non-profit agency eligible to participate in the guaranteed student loan program under the federal Higher Education Act of 1965, 20 U.S.C. §1071 et seq., by the commission when the loans become due for repayment.

A borrower who is in default on a Stafford Loan, SLS Loan, Perkins/National Direct/National Defense Student Loan, Health Professions Student Loan (HPSL), or Health Education Assistance Loan (HEAL) or who owes a repayment on any Title IV grant assistance or state award shall be ineligible for loan payments. Eligibility for state aid may be reinstated upon payment in full of the delinquent obligation or by commission ruling on the basis of adequate extenuating evidence presented in appeal under the procedures set forth in 283—Chapter 5, Iowa Administrative Code.
