7.32(5) Any delay or omission by the community college, the department, or the attorney general, to exercise any right or power prescribed by the Act, these rules, or the training agreement does not relinquish or diminish authority to act and does not constitute a waiver of default status. Any such right or power may be exercised at any time required and as often as may be deemed expedient.

7.32(6) Unless required by these rules, neither the community college, department, nor attorney general is required to provide written or other notice to the business or apprenticeship sponsor regarding any circumstance related to and including a declaration of an event of default.

7.32(7) In the event any requirement of the Act, these rules, or the training agreement, relating to a default, should be breached by either party and then waived by the other party, such waiver shall be limited to the specific breach being waived and shall have no bearing on any subsequent breach.
