655—3.7(17A,147,152,272C) License cycle.

3.7(1) Name and address changes. Written notification to the board office of name or address changes is mandatory as defined in Iowa Code section 147.9. All board correspondence is mailed to the licensee at the last known address on file with the board office. There is no charge for a change of name or address in board records. Reissuance of a license is optional as outlined in subrule 3.7(8).

3.7(2) New licenses. Licenses issued by endorsement and examination shall be issued for more than 24 months up to 36 months until the licensee can be placed in the three-year renewal cycle based on birth month. Expiration shall be on the fifteenth day of the birth month.

3.7(3) Renewal. At least 60 days prior to the expiration of the license, the board office shall mail a renewal application and continuing education report form to the licensee.

a. The licensee shall submit to the board office, 30 days before licensure expiration, the application and continuing education report form with the renewal fee as specified in rule 3.1(17A, 147,152,272C).

b. When the licensee has satisfactorily completed the requirements for renewal 30 days in advance of the expiration of the previous license, a renewal license shall be issued and mailed to the licensee before expiration of the previous license.

c. A license to practice as a registered nurse/licensed practical nurse based on renewal shall expire every three years on the fifteenth day of the birth month.

3.7(4) Late renewal. When the licensee has not satisfactorily completed the requirements for renewal before the previous license expired and prior to its becoming delinquent, the licensee shall be assessed a late fee, as specified in rule 3.1(17A,147,152,272C).

a. A late licensee who wishes to reinstate to a current license shall complete the renewal requirements and submit the late fee prior to the fifteenth day of the month following the expiration date of the license.

b. A late licensee who wishes to reinstate to an inactive status shall make the request in writing to the board office and submit the late fee. No continuing education shall be required.

c. A late license is considered lapsed until it is reinstated.

3.7(5) Delinquent status. When the licensee has not satisfactorily completed the requirements for late renewal within the grace period after expiration of the license, the licensee shall be considered a delinquent licensee.

a. A license is considered lapsed until reinstated. Immediately upon reaching a delinquent status, the delinquent licensee shall not practice nursing in Iowa until the license is reinstated to current status.

b. If no action is taken by the delinquent licensee to reinstate, the license shall remain delinquent and fees shall accrue annually.

c. If a delinquent licensee is found to be working without a current license, disciplinary proceedings may be started.

d. A delinquent licensee who wishes to reinstate a current license shall make the request to the board office.

(1) Upon receipt of the request, the board office shall send an application, continuing education report form, and statement of fees to the delinquent licensee.

(2) A delinquent licensee shall have completed 15 contact hours of continuing education as specified in 655—Chapter 5. The continuing education shall have been earned within the 12 months prior to reinstatement.

(3) Fees shall include all renewal fees to date due and a delinquent fee, as specified in rule 3.1(17A,147,152,272C).

(4) Upon receipt of the completed application, required continuing education materials, and appropriate fees, the board shall issue a current license to practice in Iowa. The license shall be issued for more than 24 months up to 36 months until the license can be placed in the three-year renewal cycle based on birth month. Expiration shall be on the fifteenth day of the birth month.

e. A delinquent licensee who wishes to reinstate to an inactive status shall make the request to the board office.

(1) Upon receipt of the request, the board office shall send an application and statement of fees to the delinquent licensee.

(2) No continuing education shall be required.

(3) Fees shall include all renewal fees to date due and a delinquent fee, as specified in 3.1(17A,147,152,272C). No current renewal fees shall be charged because a current license shall not be issued.

(4) Upon receipt of the completed application and appropriate fees, the board shall place the license on inactive status.

3.7(6) *Inactive status.* Inactive status is a status where the licensee remains inactive indefinitely and is not required to obtain continuing education or pay fees. An inactive licensee shall not practice nursing in Iowa.

a. A licensee may request inactive status by one of the following methods:

(1) The current license may be returned to the board office prior to the expiration of the license with a written request for inactive status. Inactive status becomes effective immediately upon the board's receipt of the license.

(2) Prior to the expiration of the current license, the licensee may submit the renewal form marked "requesting inactive status." Inactive status becomes effective when the current license expires.

(3) If the license is late, the license may be placed on inactive as described in subrule 3.7(4), paragraph "*b.*"

(4) If the license is delinquent, the license may be placed on inactive as described in subrule 3.7(5), paragraph "*e.*"

b. An inactive licensee who wishes to reactivate to a current license shall make the request to the board office.

(1) Upon receipt of the request, the board office shall send an application and continuing education report form.

(2) An inactive licensee shall have completed 15 contact hours of continuing education as specified in 655—Chapter 5. The continuing education shall have been earned within the 12 months prior to reactivation.

(3) The reactivation fee is specified in rule 3.1(17A,147,152,272C).

The license shall be issued for more than 24 months up to 36 months until the license can be placed in the three-year renewal cycle based on birth month. Expiration shall be on the fifteenth day of the birth month.

3.7(7) Duplicate license or certificate. The board shall issue a duplicate of a current license or original certificate upon written request of the licensee and payment of the fee specified in rule 3.1(17A,147,152,272C). If the current license is destroyed, lost, or stolen, a duplicate license is required as replacement.

3.7(8) Reissue of a license. If there is an error on the license or certificate made by the board of- fice, no fee shall be charged for a reissued corrected license or certificate. A license may be reissued if a licensee desires to have a current name or address printed on the current license prior to renewal. Reis- suance is optional; however, written notification to the board office of name or address change is man- datory as outlined in subrule 3.7(1). The board shall reissue a license per written request of the licensee and payment of the fee as specified in rule 3.1(17A,147,152,272C) or at the direction of the executive director.
