Assisted housing may be single-family housing or multifamily housing and may be designed for occupancy by homeowners or tenants.

a. Assisted units shall be affordable.

(1) For rental activities, all assisted units shall rent at the lesser of the area fair market rents or 30 percent of 65 percent of the area median family income and, for projects with five or more units, 20 percent of the units shall rent at the lesser of the fair market rent or 30 percent of 50 percent of the area median family income. (3) For home ownership assistance, the initial purchase price for newly constructed units and the after rehabilitation appraised value for rehabilitated units shall not exceed 95 percent of the median purchase price for the same type of single-family housing in the area. Assisted units shall remain affordable through resale or recapture provisions for a specified period: 5 years for projects receiving up to \$15,000 in assistance per unit, and 10 years for projects receiving \$15,000 to \$24,999 in assistance.

All rehabilitation must be done in compliance with all state and local codes, rehabilitation standards and ordinances and shall, at a minimum, meet HUD Section 8 Housing Quality Standards, 24 CFR 882 (April 1, 1997). New units must be constructed pursuant to standards specified at 24 CFR 92.251(a)(1) (April 1, 1997).

25.4(2) Eligible forms of assistance include grants, interest-bearing loans, non-interest-bearing loans, interest subsidies, deferred payment loans, forgivable loans or other forms of assistance as may be approved by IDED.

261—25.5(15) Application procedure. All potential housing fund applicants are encouraged, but not required, to complete and submit a HART form describing the proposed housing activity. If the proposal is determined to be appropriate for housing fund assistance, IDED shall inform the applicant of the appropriate application procedure by mail. The HART process, if undertaken, should be completed as early as possible in the application process.

25.5(1) HART forms shall be available upon request from IDED, 200 East Grand Avenue, Des Moines, Iowa 50309; telephone (515)242-4825.

25.5(2) HART forms are accepted year-round.

25.5(3) Applicants may request technical assistance from staff contacts in the preparation of housing fund applications.

a. If an applicant does not submit an application by the next application deadline, IDED will determine the proposal inactive and remove it from the HART files.

b. Upon the submission of a housing fund application, no additional staff assistance shall be provided during the review period.

25.5(4) Housing fund applications shall be reviewed through an annual competition. Once funds have been allocated, IDED will not accept applications seeking funding for review until the next established deadline.

25.5(5) For applicants requesting funding from both the housing fund and low-income housing tax credit (LIHTC) programs, the applicant may request application forms and related material from the Iowa finance authority (IFA). IFA shall forward an application package to a potential applicant and make the application package available in electronic form either by diskette or on the Internet at <http://www.ifahome.com>. The applicant must submit the completed application, with required housing fund attachments, to IFA by the deadline established in the application package.

a. IDED and IFA shall appoint a joint review team to discuss and review applications for housing fund and LIHTC funds. Staff for each agency may communicate frequently regarding common projects. Information contained in each application may be shared with each agency.

b. The joint review team shall meet at least twice to compare and discuss each common project. The first meeting will be convened after IDED and IFA have completed the threshold review. The second meeting shall be convened after IDED and IFA have completed the next phase of each agency's review process. No additional points will be awarded to an applicant seeking both types of funding. Staff from each agency will make recommendations for funding to their respective decision makers after the second meeting. A decision by one agency does not bind the other agency to fund a project.

c. All applicants for the housing fund must meet the threshold requirements outlined in rules 25.4(15) and 25.6(15) and subrule 25.7(3) in order to be considered for award under this subrule.

25.8(4) IDED reserves the right to allocate up to 5 percent of CDBG funds allocated to the housing fund for the emergency repair of homeless shelters. Recipients funded for this purpose shall not be required to follow the application procedure set forth in rule 261—25.5(15).

Potential recipients shall be identified through a request for qualifications of entities interested in and capable of operating an areawide program. a. The recipient shall execute and return the contract to IDED within 45 days of transmittal of the final contract from IDED. Failure to do so may be cause for IDED to terminate the award.

b. Certain activities may require that permits or clearances be obtained from other state or local agencies before the activity may proceed. Awards may be conditioned upon the timely completion of these requirements.

c. Awards shall be conditioned upon commitment of other sources of funds necessary to complete the housing activity.

d. Awards shall be conditioned upon IDED receipt and approval of an administrative plan for the funded activity.

25.9(3) Requests for funds. Recipients shall submit requests for funds in the manner and on forms prescribed by IDED. Individual requests for funds shall be made in whole dollar amounts equal to or greater than \$500 per request, except for the final draw of funds.

Changes include time extensions, budget revisions and significant alterations of the funded activities affecting the scope, location, objectives or scale of the approved activity. Amendments shall be requested in writing by the recipient and are not considered valid until approved in writing by IDED following the procedure specified in the contract between the recipient and IDED.

25.9(7) Contract closeout. Upon the contract expiration date or work completion date, as applicable, IDED shall initiate contract closeout procedures. Recipients shall comply with applicable audit requirements described in the housing fund application and management guide.

25.9(9) Remedies for noncompliance. At any time, IDED may, for cause, find that a recipient is not in compliance with the requirements of this program. At IDED's discretion, remedies for noncompliance may include penalties up to and including the return of program funds to IDED. Reasons for a finding of noncompliance include the recipient's use of funds for activities not described in the contract, the recipient's failure to complete funded activities in a timely manner, the recipient's failure to comply with applicable state or local rules or regulations or the lack of a continuing capacity of the recipient to carry out the approved activities in a timely manner.

25.9(10) Appeals process for findings of noncompliance. Appeals will be entertained in instances where it is alleged that IDED staff participated in a decision which was unreasonable, arbitrary, capricious or otherwise beyond the authority delegated to IDED. Appeals should be addressed to the division administrator of the division of community and rural development. Appeals shall be in writing and submitted to IDED within 15 days of receipt of the finding of noncompliance. The appeal shall include reasons why the decision should be reconsidered. The director will make the final decision on all appeals.

The contingency fund is reserved for (1) communities experiencing a threat to public health, safety, or welfare that necessitates immediate corrective action sooner than could be accomplished through normal housing fund procedures; or (2) communities and other entities responding to an immediate development opportunity that necessitates action sooner than can be accomplished through normal housing fund procedures. Up to 5 percent of the HOME funds may be used for this purpose.

Those applying for contingency funds shall submit a written request to IDED, Division of Community and Rural Development, 200 East Grand Avenue, Des Moines, Iowa 50309. The request shall include a description of the situation, the project budget including the amount requested from IDED, projected use of funds and an explanation of the reasons that the situation cannot be remedied through normal housing fund procedures. If the project meets threshold criteria, a full application may be requested by the department.

25.10(2) Application review. Upon receipt of a request for contingency funding, IDED shall make a determination of whether the project is eligible for funding and notify the applicant of its determination. A project shall be considered eligible if it meets the following criteria:

(1) An immediate threat to health, safety or community welfare that requires immediate action must exist.

(2) The threat must be the result of unforeseeable and unavoidable circumstances or events.

(3) No known alternative project or action would be more feasible than the proposed project.

(4) Sufficient other local, state or federal funds either are not available or cannot be obtained in the time frame required.

b. Projects to address an exceptional opportunity.

(1) A significant opportunity exists for the state that otherwise would be forgone if not addressed immediately.

(2) The opportunity is such that it is not possible to apply to the housing fund in a normal application time frame.

(3) The project would have merit, with respect to review criteria, comparable to funded projects in the most recent competition.

25.10(3) IDED reserves the right to request additional information on forms prescribed by IDED prior to making a final funding decision. IDED reserves the right to negotiate final project award and design components.
