681—4.3(262) General traffic.

4.3(1) The director shall establish such rules governing the safe operation of all vehicles, including motor vehicles, motorcycles, skateboards, in-line skates, roller skates and bicycles as the director deems necessary. Such traffic rules shall be available for inspection during business hours at the office of the director and the state board of regents. Such traffic violations may also be charged and prosecuted as violations of Iowa Code chapter 321 and Iowa Code section 262.68.

4.3(2) The director shall erect speed limit signs in conformity with maps of the institutional roads and property of the university designating such speed limits as adopted by the state board of regents. The maps will be available for inspection during business hours at the office of the director and the state board of regents.

4.3(3) The director is delegated authority to make temporary changes in traffic patterns, including establishment of one-way roads and road closures, where necessary because of construction or special events being held on university property.

4.3(4) The director is delegated authority to erect traffic control signs and devices, and to designate pedestrian crosswalks and bicycle lanes, as well as no bicycling and no skateboard, in-line skating and roller skating areas, bicycle dismount zones and pedestrian-only areas.

4.3(5) Pedestrians shall be given the right-of-way at all crosswalks or when in compliance with existing traffic controls.

4.3(6) Driving of vehicles, motor vehicles, and motorcycles on university property other than roads is prohibited, unless specific areas have been designated for such use by the director or special permission has been granted by the director for emergency conditions.

4.3(7) Driving of vehicles, motor vehicles, and motorcycles on parts of institutional roads marked as bicycle lanes is prohibited.

4.3(8) The director is delegated authority to have the university public safety department investigate accidents which occur on university property.

681—4.4(262) Registration. Motor vehicles and motorcycles shall be registered as follows:

4.4(1) *Students.* Every motor vehicle and motorcycle which is operated or maintained by a student on campus must be registered with the university and a registration decal must be displayed on the vehicle in the manner prescribed by the director. Any student who operates or maintains a motor vehicle or motorcycle on campus or who owns a vehicle which is so operated or maintained is responsible for the proper registration of such vehicle and the display of the registration decal thereon.

4.4(2) *Employees.* Motor vehicles and motorcycles owned or operated by employees may be registered with the university if the employee so desires, but registration of such vehicles is not required unless the employee is granted parking privileges on the campus. A registration decal may be issued for display on vehicles registered by employees.

4.4(3) *Procedure.* Applications for registration shall be submitted to the director in the manner the director prescribes. No student shall register any vehicle owned or actually maintained by another student. No fee shall be charged for registration without parking privileges.

4.4(4) *Bicycles.* Bicycle registration is optional.

a. To register a bicycle with the university, a current registration form is to be filled out at the parking and transportation offices. Required information includes current name of owner, address, social security number, description of the bicycle, and the bicycle manufacturer's identification number. Proof of name and address is required. Once the registration form is completed, a decal will be issued.

b. Bicycles may also be registered with the cities of Iowa City and Coralville. If these registrations are current and the decal is affixed to the bicycle, the university will accept them in lieu of a university registration.

c. Placement of registration decal. The registration process is completed when the registration decal is permanently and visibly affixed to the down- or seat-tube on the bicycle.

d. An official university bicycle registration decal is valid if the address and ownership given on the registration form are current. Change in ownership of a bicycle must be reported to the parking and transportation office. Proof of change in ownership is required.

681—4.5(262) Parking facilities. The director may set aside and designate certain areas of the university property for the parking of motor vehicles, motorcycles, and bicycles, and the use of any lot, ramp, or part of the parking facilities so established may be restricted to students, employees, or visitors. The director shall cause signs to be erected and maintained clearly identifying those areas of the university campus designated for vehicle parking, and any restrictions applicable thereto shall be conspicuously posted.

4.5(1) Parking control devices. Gates and other devices may be installed and maintained to control access to any parking facility.

4.5(2) Parking meters. Parking meters, toll houses, and other devices may be installed and maintained to regulate the use of any parking facility.

4.5(3) Hours of operation. Reasonable hours shall be established by the director for the normal operation of the parking facilities and a schedule of hours of operation shall be published and available for public inspection in the office of the director.

4.5(4) Closing. The director may temporarily close any parking facility for cleaning, maintenance or other university purpose, or may temporarily restrict or reassign the use of any facility as may be necessary or convenient. The director shall give advance notice of such temporary closing, restriction, or reassignment by posting or otherwise when practical.

4.5(5) Restricted zones. The director may designate areas of the campus as restricted zones, such as loading zones or service vehicle zones, and such restricted zones shall be conspicuously posted. No parking shall be permitted in such restricted zones except as authorized.

4.5(6) No parking. Motor vehicle and motorcycle parking on the campus shall be restricted to designated parking facilities, and no parking shall be permitted at any other place on the campus. Vehicles shall not be parked in such a manner as to block or obstruct sidewalks, crosswalks, driveways, roadways, or designated parking stalls. No parking is permitted in prohibited zones, such as in the vicinity of fire hydrants or fire lanes, and such zones shall be conspicuously posted or marked by painted curbs or other standard means. No parking is permitted on grass or other vegetation or in pedestrian areas.

4.5(7) Motorcycle parking. The director may designate areas of the parking facilities for motorcycle parking, and such areas shall be conspicuously posted. Motorcycles shall be parked only in areas designated for motorcycle parking, and no other vehicles shall be parked in such areas.

4.5(8) Bicycle parking. The director may install and maintain bicycle parking racks or designate other facilities for bicycle parking. Bicycles shall be parked only in bicycle racks or other facilities designated for bicycle parking.

4.5(9) *Violations.* Bicycles attached to, or rested against, trees, shrubs, handrails, handicapped parking meters, or limiting access to, or use of, any university facility may be impounded, the owners fined, or both. Bicycles parked inside a university building which is not designated for bicycle parking may be impounded or the owners fined, or both. Bicycles bearing proper registration decals which are attached to, or rested against, street furniture may be ticketed or immobilized and the owners fined. If the bicycles interfere with the use of the furniture, they may be impounded. Bicycles considered abandoned may be labeled for impending impoundment by placing impoundment tags on the bicycles. If the bicycles display the proper registration decals, an attempt will be made to contact the owners to remove the bicycles. If the bicycles do not display the proper registration decals, the owners have two weeks to contact the parking and transportation office from the time the bicycles are tagged until the bicycles may be impounded.

681—4.6(262) Parking privileges. Students and employees may be granted parking privileges on the campus in accordance with these rules and upon such other reasonable terms and conditions as may be established by the university.

4.6(1) *Students.* Students may be granted parking privileges in parking facilities designated for student use. Optional plans and facilities may be offered as determined by the director. Reasonable classifications may be established on the basis of a student's age, class, college or department, course load, proximity of the student's residence to the campus, physical disability, employment, the availability of facilities, or any other relevant criterion to determine the eligibility of students for parking privileges or any optional plan or facility.

4.6(2) *Employees.* Employees may be granted parking privileges in parking facilities designated for employee use. Optional plans and facilities may be offered as determined by the director. Reasonable classifications may be established on the basis of an employee's job classification, length of service, place of work or the nature thereof, physical disability, the availability of facilities, or any other relevant criterion to determine the priority of employees for assignment of parking privileges or any optional plan or facility.

4.6(3) *Visitors.* Visitors may be granted parking privileges in parking facilities designated for visitor parking. Optional plans and facilities may be offered as determined by the director. Reasonable classifications may be established on the basis of the time, duration or purpose of the visit, physical disability, the availability of facilities, or any other relevant criterion to determine the eligibility of visitors for parking privileges or any optional plan or facility.

4.6(4) *Procedure.* Applications for parking privileges shall be submitted to the director in the manner the director prescribes. No student shall apply for parking privileges for any vehicle owned or actually maintained by another student. The director shall determine the eligibility and priority of each applicant for parking privileges within the classifications established in 4.6(1), 4.6(2) and 4.6(3) and shall make all parking assignments. A parking decal or other means of identification may be issued to each applicant who is granted parking privileges, and such decal or other identification must be displayed on the vehicle in the manner prescribed by the director. Parking privileges shall not be granted to a student and to an employee for the same vehicle, and a student parking decal and an employee parking decal shall not be displayed on the same vehicle.

4.6(5) *Parking fees.* The university may assess and collect from students, employees, and visitors reasonable fees or charges for parking privileges and the use of parking facilities. The amount of such fees and charges shall be established by the university and approved by the state board of regents, and a schedule of all parking fees and charges shall be published and available for inspection during normal business hours in the office of the director and in the office of the state board of regents. Parking fees and charges may be assessed and collected on an annual, semester, monthly, or hourly basis. Parking fees and charges may be added to student tuition bills and may by agreement be withheld from the salaries or wages of employees by payroll deduction. Parking fees and charges may be collected by means of parking meters or toll houses. Use of any parking facility constitutes an implied agreement to pay the prescribed fee or charge therefor.

4.6(6) *University business.* Special parking privileges may be granted for vehicles being used on official university business on the conditions and in the manner prescribed by the director.

4.6(7) *Responsibility.* Any person who owns or operates a vehicle which is parked on the campus or in whose name the vehicle is registered or to whom parking privileges have been granted is responsible for the proper parking of the vehicle at all times when it is on the campus and for all parking violations involving the vehicle.

4.6(8) *Liability.* Parking privileges granted hereunder constitute a license to use university parking facilities and do not constitute a lease of such facilities or a bailment of the vehicle by the university. Use of university parking facilities is at the owner's or visitor's risk, and the university shall not be liable or responsible for loss of or damage to any vehicle parked on the campus.

4.6(9) *Revocation.* Parking privileges on the campus may be revoked by the university for good cause at any time upon five days' written notice and refund of any advance payment of parking fees or charges on a pro rata basis for the revoked period.

681—4.7(262) *Violations.* Sanctions may be imposed for violation of traffic, registration and parking rules as follows:

4.7(1) *Notice of violations.* The university shall give written notice of all parking violations. Such notice may be given by means of a notice of parking violation placed conspicuously on the offending vehicle, and such notice shall constitute constructive notice of the violation to the owner and operator of the vehicle and to any person in whose name the vehicle is registered or parking privileges have been granted.

4.7(2) *Sanctions.* Reasonable monetary sanctions may be imposed upon students, employees, and visitors for violation of university traffic, vehicle registration or parking rules. The amount of such sanctions, not to exceed \$50 for each offense, shall be established by the university and approved by the state board of regents except sanctions established by statute will be imposed at the current statutory amount. A schedule of all sanctions for traffic violations, improper registration and parking shall be published and available for public inspection during normal business hours in the office of the director and in the office of the state board of regents. Traffic, registration, and parking sanctions may be assessed against the owner or operator of the vehicle involved in each violation or against any person in whose name the vehicle is registered or parking privileges have been granted and charged to the person's university account. Registration and parking sanctions may be added to student tuition bills or may be deducted from student deposits or from the salaries or wages of employees or from other funds in the possession of the university.

4.7(3) *Impoundment and immobilization.* Any vehicle parked on the campus in violation of parking rules may be impounded, removed or immobilized. The university shall give written notice of impoundment to the owner of the vehicle or to the person in whose name the vehicle is registered or parking privileges have been granted. A reasonable fee may be charged for the cost of impoundment and storage, which fee must be paid prior to the release of the vehicle. Impounded vehicles which are not claimed within 60 days will be deemed abandoned property and may be sold under procedures set forth in Iowa Code chapter 579 and the proceeds of the sale will be applied to the payment of the costs of impoundment, storage and sale. The balance, if any, shall be sent to the owner.

a. Immobilization. Immobilized bicycles bearing proper registration decals may be claimed by proving ownership and payment of immobilization fees and any fines. Immobilized bicycles not bearing proper registration decals may be claimed by proving ownership, registering the bicycle under a valid name and address, and paying the appropriate fines and immobilization fees. Immobilization fees for first-time offenders may be waived after immobilized bicycles have been registered. Immobilized bicycles not reclaimed after two working days may be impounded.

b. Impoundment. Impounded bicycles bearing proper registration may be claimed by proving ownership and paying the impoundment fees and any fines. Impounded bicycles not bearing proper registration decals may be claimed by proving ownership, registering the bicycles under a valid name and address, and paying the appropriate fines and impoundment fees. Impoundment fees for first-time offenders may be waived after impounded bicycles have been registered. All impounded bicycles will be held for 60 days, during which time they may be claimed by the owners upon payment of all outstanding fines and charges. After 60 days, all unclaimed impounded bicycles will be deemed abandoned property and sold pursuant to Iowa law, and the proceeds applied to the costs of impoundment, storage, and sale. The balance, if any, shall be sent to the owner, if known.

4.7(4) *Administrative hearing.* Students and employees may request a hearing and administrative ruling concerning a controversy, based on the imposition of a sanction for a registration or parking violation, or an impoundment procedure, by the appropriate hearing body as set forth in the motor vehicle and bicycle regulations published by the university. Visitors may request the director to conduct a hearing and issue an administrative ruling in such cases.

681—4.8(262) Administration of rules. The president of the university shall be responsible for the proper administration of these rules. The president is authorized to establish procedures not inconsistent with these rules as may be reasonably necessary and convenient for the effective administration of presidential duties hereunder, and any procedure so established shall be published and available for public inspection during normal business hours in the office of the director and in the office of the state board of regents. The president may delegate presidential authority under these rules to the director or to any other person designated by the president to perform any function or duty hereunder.

681—4.68(262) Registration. Vehicles shall be registered as follows:

4.68(1) Students. Every motor vehicle and motorcycle which is operated or maintained by a student within Black Hawk County, Iowa, which may, at any time, use university parking facilities, must be registered with the university and a registration permit be displayed on the vehicle in the manner prescribed by the supervisor. Any student who operates or maintains a motor vehicle or motorcycle in Black Hawk County or who owns a vehicle which is so operated or maintained and which may, at any time, use university parking facilities, is responsible for the proper registration of such vehicle and the display of the registration permit thereon.

4.68(2) Employees. Motor vehicles and motorcycles owned or operated by employees may be registered with the university if the employee so desires, but registration of such vehicles is not required unless the employee desires parking privileges on the campus. A registration permit may be issued for display on vehicles registered by employees.

4.68(3) Procedure. Applications for registration shall be submitted to the supervisor in the manner prescribed by the supervisor. No student shall register any vehicle owned or actually maintained by another student.

681—4.69(262) Parking facilities. The university may set aside and designate certain areas of the campus for the parking of motor vehicles, motorcycles, and bicycles, and the use of any lot, ramp, or part of the parking facilities so established may be restricted to students, employees, or visitors. The supervisor shall cause signs to be erected and maintained clearly identifying those areas of the university campus designated for vehicle parking, and any restrictions applicable thereto shall be conspicuously posted.

4.69(1) Parking control devices. Gates and other devices may be installed and maintained to control access to any parking facility.

4.69(2) Parking meters. Parking meters, toll houses, and other devices may be installed and maintained to regulate the use of any parking facility.

4.69(3) Hours of operation. Reasonable hours shall be established for the normal operation of the parking facilities and a schedule of hours of operation shall be published and available for public inspection in the office of the supervisor.

4.69(4) Closing. The supervisor may temporarily close any parking facility for cleaning, maintenance, or other university purpose, or may temporarily restrict or reassign the use of any facility as may be necessary or convenient. The supervisor shall give advance notice of such temporary closing, restriction, or reassignment by posting or otherwise when practical.

4.69(5) Restricted zones. The supervisor and committee may designate areas of the campus as restricted zones, such as loading zones or service vehicle zones, and such restricted zones shall be conspicuously posted. No parking shall be permitted in such restricted zones except as authorized.

4.69(6) No parking. Vehicle parking on the campus shall be restricted to designated parking facilities, and no parking shall be permitted at any other place on the campus. Vehicles shall not be parked in such a manner as to block or obstruct sidewalks, crosswalks, driveways, roadways, or designated parking stalls. No parking is permitted in prohibited zones, such as in the vicinity of fire hydrants or fire lanes, and such zones shall be conspicuously posted or marked by painted curbs or other standard means.

4.69(7) Motorcycle parking. The supervisor and committee may designate areas of the parking facilities for motorcycle parking, and such areas shall be conspicuously posted. Motorcycles shall be parked only in areas designated for motorcycle parking, and no other vehicles shall be parked in such areas.

4.69(8) Bicycle parking. The supervisor and committee may install and maintain bicycle parking racks or designate other facilities for bicycle parking. Bicycles shall be parked only in bicycle racks or other facilities designated for bicycle parking.

681—4.70(262) Parking privileges. Students and employees may be granted parking privileges on the campus in accordance with these rules and upon such reasonable terms and conditions as may be established by the university.

4.70(1) Students. Students may be granted parking privileges in parking facilities designated for student use. Optional plans and facilities may be offered as determined by the supervisor and committee. Reasonable classifications may be established on the basis of a student's age, class, college or department, course load, proximity of the student's residence to the campus, physical disability, employment, the availability of facilities, or any other relevant criterion to determine the eligibility of students for parking privileges or any optional plan or facility.

4.70(2) Employees. Employees may be granted parking privileges in parking facilities designated for employee use. Optional plans and facilities may be offered as determined by the supervisor and committee. Reasonable classifications may be established on the basis of an employee's job classification, length of service, place of work or the nature thereof, physical disability, the availability of facilities, or any other relevant criterion to determine the priority of employees for assignment of parking privileges or any optional plan or facility.

4.70(3) Visitors. Visitors may be granted parking privileges in parking facilities designated for visitor parking. Optional plans and facilities may be offered as determined by the supervisor and committee. Reasonable classifications may be established on the basis of the time, duration or purpose of the visit, physical disability, the availability of facilities, or any other relevant criterion to determine the eligibility of visitors for parking privileges or any optional plan or facility.

4.70(4) Procedure. Applications for parking privileges shall be submitted to the supervisor in the manner the supervisor prescribes. No student shall apply for parking privileges for any vehicle owned or actually maintained by another student. The supervisor shall determine the eligibility and priority of each applicant for parking privileges and shall make all parking assignments. A parking permit or other means of identification may be issued to each applicant who is granted parking privileges, and such permit or other identification must be displayed on the vehicle in the manner prescribed by the supervisor.

4.70(5) Parking fees. The university may assess and collect from students, employees, and visitors reasonable fees or charges for parking privileges and the use of parking facilities. The amount of such fees and charges shall be established by the university and approved by the state board of regents, and a schedule of all parking fees and charges shall be published and available for inspection during normal business hours in the office of the director and in the office of the state board of regents. Parking fees and charges may be assessed and collected on an annual, semester, monthly, or hourly basis. Parking fees and charges may be added to student tuition bills and may by agreement be withheld from the salaries or wages of employees by payroll deduction. Parking fees and charges may be collected by means of parking meters or toll houses. Use of any parking facility constitutes an implied agreement to pay the prescribed fee or charge therefor.

4.70(6) University business. Special parking privileges may be granted for vehicles being used on official university business on the conditions and in the manner prescribed by supervisor and committee.

4.70(7) Responsibility. Any person who owns or operates a vehicle which is parked on the campus or in whose name the vehicle is registered or parking privileges have been granted is responsible for the proper parking of the vehicle at all times when it is on the campus and for all parking violations involving the vehicle.

4.70(8) Liability. Parking privileges granted hereunder constitute a license to use university parking facilities and do not constitute a lease of such facilities or a bailment of the vehicle by the university. Use of the university parking facilities is at the owner's or applicant's risk, and the university shall not be liable or responsible for loss of or damage to any vehicle parked on the campus.

4.70(9) Revocation. Parking privileges on the campus may be revoked by the university for good cause at any time upon five days' written notice and refund of any advance payment of parking fees or charges on a pro rata basis for the revoked period.

681—4.71(262) Violations. Sanctions may be imposed for violation of registration and parking rules as follows:

4.71(1) Notice of violations. The university shall give written notice of all parking or registration violations. Such notice may be given by means of a notice of parking violation placed conspicuously on the offending vehicle, and such notice shall constitute constructive notice of the violation to the owner and operator of the vehicle and to any person in whose name the vehicle is registered or parking privileges have been granted.

4.71(2) Sanctions. Reasonable monetary sanctions may be imposed upon students, employees, and visitors for violation of vehicle registration or parking rules. The amount of such sanctions, not to exceed \$50 for each offense, shall be established by the university and approved by the state board of regents except sanctions established by statute will be imposed at the current statutory amount. A schedule of all sanctions for improper registration and parking shall be published and available for public inspection during normal business hours in the office of the supervisor and in the office of the state board of regents. Registration and parking sanctions may be assessed against the owner or operator of the vehicle involved in each violation or against any person in whose name the vehicle is registered or parking privileges have been granted and charged to their university account. Registration and parking sanctions may be added to student tuition bills or may be deducted from student deposits or from the salaries or wages of employees or from other funds in the possession of the university.

4.71(3) Impoundment. Any vehicle parked on the campus in violation of parking or registration rules may be impounded and removed. The university shall give written notice of impoundment to the owner of the vehicle or to the person in whose name the vehicle is registered or parking privileges have been granted. A reasonable fee may be charged for the cost of impoundment and storage, which fee must be paid prior to the release of the vehicle. Impounded vehicles which are not claimed within 60 days will be deemed abandoned property and may be sold, under procedures set forth in Iowa Code chapter 579, and the proceeds of the sale will be applied to the payment of the costs of impoundment, storage and sale. The balance, if any, shall be sent to the owner.

4.71(4) Hearing. Students and employees may have a hearing on any registration or parking violation. A hearing request shall be submitted to the supervisor in writing within seven days after notice of the violation was given and shall state the grounds of the hearing request. The supervisor may allow additional time within which to request a hearing for good cause shown. Hearings shall be conducted by an impartial committee to be chosen in a manner approved by the president of the university. The person requesting said hearing shall be afforded the opportunity for an administrative hearing by the hearing committee and shall be given reasonable notice of the time and place of the hearing. The decision of the hearing committee shall be final and may be reviewed *de novo* by the district court as provided by law.

681—4.72(262) Effect of rules. These rules constitute a condition of registration as a student at the university and a condition of employment as an employee of the university. Registration as a student or acceptance of employment constitutes an acceptance of these rules and an agreement to pay all prescribed fees and monetary fines imposed in accordance with these rules.

681—4.73(262) Administration of rules. The president of the university shall be responsible for the proper administration of these rules. The president is authorized to establish procedures not inconsistent with these rules as may be reasonably necessary and convenient for the effective administration of presidential duties hereunder, and any procedure so established shall be published and available for public inspection during normal business hours in the office of the supervisor and in the office of the state board of regents. The president may delegate presidential authority under these rules to the supervisor or to any other person designated by the president to perform any function or duty hereunder.

These rules are intended to implement Iowa Code chapter 262.
