

**811—6.6(169) Issuance of limited license; specialization.**

**6.6(1)** The board may grant a license to practice veterinary medicine within a limited and specified scope:

- a.* As an option for board discipline under 811—Chapter 10.
- b.* Rescinded IAB 11/18/98, effective 12/23/98.
- c.* To an applicant requesting limited or specialized status.

**6.6(2)** A veterinarian holding either a limited license or a full license shall not claim or imply specialization unless the veterinarian is a member in good standing of the respective specialty board or college recognized by the AVMA.
