Helen, I will type what the 1920 newspaper states and then will add a few things that might or might not be helpful to you. I don't know if you are interested in W H Campbell's parents and siblings or not. I have an email address of a person researching this CAMPBELL family on the Guthrie County Website about a year ago. I could forward her query if you like. That is will scan and forward what it contained. Let me know if you want this.

I had collected abstracted items from some of the very old Guthrie County Vedette, or Panora Iowa newspaper. The name of the Panora Newspaper did change in those very early years. I think some of this may be on the shelf at the library but not for sure.

27 Jan 1870 p4c5 Guthrie County Vedette, Panora, Iowa

Concerning our servants: Our Representative, biographical sketches of members of the XIIIth general Assemble, Wm. H. CAMPBELL, Panora, Guthrie County; student; born in Indiana; single; Congregationalist; Captain 4th Iowa Inf; 16 years in Iowa; 29 years old; weighs 173 lbs. Rep. CAMPBELL is a member of the standing committees on Claims; Military Affairs. He was born 4th of November 1840 near Indianapolis, Ind. came here 13 years later. His father died the year afterward and young CAMPBELL assumed control of his mother's farm, and worked it until the war began, when he enlisted in Col Dodg's reg. 1st LT and Capt. Wounded at Dallas, Georgia. Since war has been a student of Mt Pleasant college, educating for the law.

22 January 1920 p8c1 Guthrie County Vedette Panora Iowa

W received here this week of Wm. CAMPBELL's death at Tulsa, Okla. Deceased was resident here many years and was a brother of George CAMPBELL east of town. He was veteran of civil war. Leaves to mourn, three children, Ambler and Faith, of Omaha, and Willard, of Oklahoma, three brothers, George, Albert and Morris, all in this state, and one sister, Mary TYLER of Woodburn, Oregon.

Helen, I think there may be some information in the 1884 Guthrie County History book, I am thinking there should be one on the shelf. I have a lot of the pages here at home, but naturally the one I wanted to look at I don't have. Might want to check that since it was written after W H Campbell was a Representative.

His parents were Hugh CAMPBELL and Cynthia KIMBERLY CAMPBELL. Hugh Campbell died 10 June 1854 and his wife, Cynthia died 21 April 1878. The mother, Cynthia death notice states that they were member of the Baptist church for fifty years. There was a Baptist church in the country just east of Panora a ways. It states that she left 8 grown children.

A brother's obituary - George Campbell died in 1927 and it states that this George was the fourth of eleven children born to Hugh and Cynthia Kimberly Campbell. etc etc

I am going to email you another letter because have something kind of interesting about Wm H Campbell to tell you.

Helen there are a couple other short items from the newspapers and I also went on the Heritage Quest for the 1900 and 1910 census with the 1910 stating some additional info. I hope this does not scramble too badly for you because I realized I should have typed it in Word and did an attachment of the information. Sorry. Because I already have it typed below now.

Wm H Campbell actually died in 1919 before the 1st of January. Anyway this is what the person that sent a query had listed and made sense.

William Campbells children who have been staying with George Campbell and family since their mother's death started Monday for their grandparents in the west.

{so far I have not found or figured out if his wife is buried here at Panora, that would take some more looking.}

The Parent Teachers' Association will hold an open meeting in the assembly room of the public school at 3 o'clock, Friday, January 30, at which time there will be a question box. Each one is urged to bring any question pertaining to the welfare of the students, teachers, school or association which they wish to hear discussed. Don't forget the purpose, time or place.

B. E. Finley, who will be remembered here by a large number of our people, has been made president of the First National bank at Pampa, Texas. The news of his success there will be gratifying to his old time friends in Panora. He was cashier of the bank for a number of years and this election comes as a promotion. Mr. Finley was principal in the high school here for four years and left here about 16 years ago.

Word was received here this week of the death of Wm. Campbell at Tulsa, Okla. Deceased was a resident here many years and was a brother of Geo. Campbell, east of town. He was a veteran of the civil war and will be remembered by many of the older residents. He leaves to mourn, three children, Ambler and Faith, of Omaha, and Willard, of Oklahoma, three brothers, George, Albert and Morris, all in this state, and one sister, Mary Tyler, of Woodburn, Oe.

Joe Vogel sprung a story on us last week about seeing a meadow lark the day before. We never caught Joe lying to us yet and he appeared to be in his right mind while talking to us, but it sounded like a stretch of the imagination. You can take his word for it if you want to but just the same it is a long while until spring yet and if Joe has any influence with the lark he will induce it to go back to a warmer climate for a while.

Property to the value of \$114,000 is a good deal for one man to dispose of by the public sale method, but that total has been reached by O. S. Meyers, who lives east of Panther store. The job required three sales. One of them was held last March when Meyers disposed of \$37,000 worth of stuff, mainly livestock of course. In November he had a sale which went to the top figure of \$42,000 and this month \$35,000 worth was knocked

faculty. Mr. Bell arrived at the end of the week and has taken up his duties. He will not bring his wife here for a few weeks yet.

Brother Vail, of Jefferson, a former newspaper publisher here, was in town yesterday calling on old friends. Mr. Vail went from here to Jefferson to publish the Free Lance, which he afterward sold, and since then he has been in the Greene county court house.

Harry Kinney has decided to quit farming and try city life for a while. He will have a closing out sale at his place northeast of Panora Thursday of next week, offering 85 head of livestock. He intends to move to Perry to live and will occupy his time this summer building a new home on Warford street.

Thompson Lake has disposed of the property in southeast Panora which for many years was owned and occupied by his parents. Chas. Cramer was the purchaser and the consideration was \$1,200. We understand Charley is planning to tear the old shed-off-the-rear-end-of-the-lot-and-erect a garage there and that later he may build a modern cottage on the place. The corner is regarded as one of the most desirable building spots in town.
