Park Shipley bought for Mr. Fisk, a car load of good horses which were shipped to Nebraska last week.

The wolf hunt of last Saturday was a success. All the participants hunting all day, all came home with their pockets loaded down with—hunts. They all say that some one of their number saw a wolf, but then it might have been a small frightened terrier.—who knows?

The only thing that we heard of as being killed last Saturday at the "wolf hunt," was a wild goose. This was taken to the home of Mr. Elijah Wright, where it was cooked especially for the benefit of the invited guests, Messrs. Park Shipley and Joe Shields. We were not there but we will bet our interest in the double track of the "Q." against a new suit of clothes, that these gentlemen did the subject justice. This, of course, will explain why it was that they did not know more of the attendance of some other gatherings.

Mr. Wm. Nance has opened, up a restaurant and bakery on the south side of the public square, where you will find constantly on hand a full supply of fresh baked bread, pies, cakes, cookies, canned goods etc., all cooked up to the "Queen's taste." This is a new enterprise for this place, and one that we would like to see succeed.

OBITUARY.

DIED—At his residence near this city on Sunday, April 3, John M. Hanson, aged 80 years, had he lived until the 25th of next July.

Mr. Hanson was born in Deerfield, Mass., in July 1807. He was one of quite a large family. Of this family only three are living, Mrs. P. H. Fisher, of this city, and two younger brothers, residents of Mentor, Ohio.

Like the majority of boys born in New England at that early day, about his only inheritance was a sound mind and a vigorous constitution, with the privileges of a limited education, supplemented by the rigid moral and religious training common among the descendants of the Puritans. This portion the deceased cheerfully accepted, most of his youthful time being spent in the adjoining town of Shelburne. His energy and good judgement soon brought him favorable opportunities for labor, which he was not slow in accepting. Here in his 25th year he married Miss

day was pleasant, and surrounded by this large circle of aged friends, all that was mortal of this faithful father, husband and friend, was reverently and lovingly consigned to its last silent resting place.

Mrs. Pamel Herrel, died March 25th, 1887, at the residence of her son, Mr. Daniel Herrel, in Pleasant Grove town, Ship, Des Moines county, Iowa.

Mother Herrel was born in the Year of our Lord 1801, November 29th being therefore 86 years and 4 months old. In company with her husband they emigrated from the state of Kentucky to Illinois, in 1831. After a residence of thirteen years, they moved to Iowa in 1847, which state has been her home to the time of her death. She embraced the Christian Religion upwards of fifty years ago, joined the Baptist church, and during all these years she was an exemplary member of said church. Her life and character was a true exponent of the gospel of the son of God. She bore unquestionable marks of honesty, sincerity and candor in the purity of her life, the purity and correctness of her character. She bore her last illness with a patient spirit thereby testifying to the truth of God's word. In your patience possess your soul. She leaves an only son, an estimable and highly respected citizen, Mr. Daniel Herrel, who cared for and comforted her in her last illness, also a son-in-law, Mr. John Pennebaker, a citizen of Sterlingworth, and who enjoys an envied reputation among his neighbors and acquaintances. Also a number of grand-children, who promise to be men and women of culture. Mother Herrel died as she lived in the triumphs of the faith of the gospel. The funeral services were held at the home of her son, a large and sympathizing audience being in attendance. The services were conducted by the writer. Scripture text James, 1st chapter, and 27th verse.

DIED, near Villisca, Iowa, on the 22d of March, Lyman Sawyer. The deceased was born in Des Moines county, Feb. 18, 1810, where he resided until manhood. He then with his father removed to Henry county, and was married December 1874 to Emma Mason. He moved to Union county, Iowa, 1878, and in 1880 moved to St. Joseph, Missouri. And there his wife died with consumption, leaving a little daughter, Dora, four years old. They came back to Henry county in 1881, and there remained for several years with his father. They moved to Villisca April 3, 1886, where he died. The health of the deceased has been poor for about seven years, able to do but little work. Last spring he began to fail, and spite of all that physicians and friends could do, his disease preyed upon his constitution until death came as the only relief. His disease was a complicated one, and finally terminated in dropsy. N. C. W.

Wayland Ways.

Miss Nellie Campbell, of Mt. Pleasant, is visiting at Dr. Wiggins'.

Rus. L. Morris has gone to the Insane Asylum. Too much girl on the brain.— He said he was going to boss the kitchen if there was no objections.

Mr. and Mrs. Jacobs have moved into Peter Roth's house, near the brewery.—

Mrs. Gardner has returned from her visit to her daughter at Morse.

Mrs. W. P. Shelton has taken her little daughter to Glenwood for treatment.

Our merchants are all doing a very fair business. Wayland is on a boom. Trade in all of the departments is increasing.

We understand that Mrs. Fannie Jessup Nichols is prostrated with consumption, and that her condition is critical.

Miss Anna Oxley has returned to her home in Nebraska, and left her brother's children with their grandmother, Mrs. Dr. Wiggins.

Uncle Luc Henss looks quite sober over it but says his young brother may have to take it back before he thinks on it.

Grandmother Williams has another hopeful for the future. She is as faithful as the North Star.

On the 30th day of March last, at 7 o'clock p. m., a young and diminutive boy by the name of Henss, put in his appearance at the residence of his parents, about one mile west of Wayland, and they have concluded to keep him.— At least he has laid claim, is hanging on and commencing to improve. Also, on the same date, and about a half an hour later, a young, but not so diminutive a boy by the name of Morris, put in his appearance at the old Pickel Palace, and we hope he has come to stay.

The fore part of last week Mr. Peter [unclear] of the Central House, met with a serious accident while he and his little daughter were

residents of Mentor, Ohio.

Like the majority of boys born in New England at that early day, about his only inheritance was a sound mind and a vigorous constitution, with the privileges of a limited education; supplemented by the rigid moral and religious training common among the descendants of the Puritans. This portion the deceased cheerfully accepted, most of his youthful time being spent in the adjoining town of Shelburne. His energy and good judgement soon brought him favorable opportunities for labor, which he was not slow in accepting.— Here in his 25th year he married Miss Lauretta Smith. He soon after removed to New York state; from there to Ohio, and finally to Iowa, where he arrived in September, 1836. He soon after located on the farm where he died.

In 1839 he met with his first great sorrow in the loss of his wife, who died August 18th of that year, leaving her husband and three children. In February, 1841 he married Miss Laura Wood. In 1852, after making provision for his family he started in company with his eldest son and other acquaintances, for the gold fields of California by the overland route. A few weeks after he left for California his second wife died, Feb. 24, 1852. This sad news did not reach the husband till some seven months after, the mail facilities of those days being not only slow but uncertain.

The deceased spent six years in California engaged mostly in mining.— Here he experienced another misfortune in the loss of his son George, who died at Deer Creek; August 26, 1859.

After this sorrow he returned to Iowa to a desolate home. His children during his absence had been taken care of by their grandparents, Mr. and Mrs. Wood. He again gathered around him his children, and by the aid of his daughter, a child of ten summers, reunited his orphan household. In June 1862, he married Miss Eliza Farr. In 1865 he was again called to part with a loved child, this time his daughter Louisa, who died April 28th, 1865.

Of his family of eight children, five survive him. William, a son of the first wife, Henry and John, children of the second wife, being present with him during his last severe illness, which lasted just one week, having been taken ill on Sunday, March 27th. Another son, Charles, a son of the second wife, whose home is in Chillicothe, Missouri, but who at the time was in Kansas; and a daughter, Mrs. Lauretta Bayles, who resides in Nebraska, and could not be present either to aid in caring for him or in joining the others in the sad, solemn, and dust to dust."

be, of this city, was married to Miss [unclear] Washburn, living in Baltimore [unclear]. Mr. McCabe intends living [unclear] until the work on the double track completed, when he will take his departure for the far west.

DI —On last Friday afternoon at about 5 o'clock at her late residence, about two miles northwest of town, Mrs. Mac Cone. Mrs. Cone has been a patient but constant sufferer from rheumatism for more than five years, the disease rendering her, during the latter part of her suffering almost entirely helpless. She has lived a true and constant christian life and all through her long term of sickness has trusted in Him whose care she had placed herself many years before, to give her strength to endure all. The funeral was held at her home on last Sunday, where the sad rites were paid to this beloved friend and neighbor. A large number of friends were present to show their respect and sympathy for the stricken family.

—I would say to my old patrons and others interested, that Royal George will be found at the old home stand two miles west of New London. Please call before going elsewhere. For terms etc., call on or address, J. D. BYERS.

M. Hoebe Herrel died at the residence of her son, Daniel Herrel, in Pleasant Grove, township on Tuesday March 1, an obituary of whom has been handed us, and will be published in another column.

On last Saturday evening, the boys saw George Crabb, who has been living in Omaha for some time past, walking down the street towards his father's home, and by his side a lady whom they afterwards learned was his newly wedded wife. It didn't take them three minutes to decide on a serenade. They met and got out all the members of the band, and at a very seasonable hour, called around and commenced the music. They did not have to set long out in the front yard before Mr. Crabb came out and gave them a very cordial invitation to come in and "place their knees under his well-loaded table" and eat drink and be merry. And it would make the least imaginative man's mouth water to hear them tell of that supper. We cannot express it in as glowing terms as they, therefore if you would like to have a good supper, we would advise you to call on one of the band boys.

In the death of Mr. Hanson, Henry
county loses another of the worthy band
that leaving the comforts and conven-
iences of eastern life, came at an early
day to make their homes in Iowa, and
to change its waste places into fruitful
fields. Mr. Hanson's great energy and
decision of character, his sterling integ-
rity, good judgement and marked abili-
ty, gathered about him here a large cir-
cle of friends who often profited by his
advice as well as by his acts in cases of
need.

In 1871 he was chosen Representative
by the people of Henry county to rep-
resent them in the general assembly of
the state, on an independent ticket.—
But it was in the neighborhood and
among his intimate friends that he was
most prized. The deceased was among
the first of our acquaintances when we
came here in 1868, and for almost twenty
years our intercourse has been intimate
and pleasant. In his death we feel as if
a brother had fallen. The thought that
we shall see his face no more is sad in-
deed.

Mr. Hanson's life has been an event-
ful one, and in many respects it is typical
of American life: Born on the rock bound
hills of the far off Atlantic coast, his
youthful ear early caught the rustling
sound of the prairie winds as they sweep
over the prairies as they murmur
through the stately cottonwoods, and
he was as irresistibly drawn to the land
beyond the great Father of Waters as
was Columbus to the unknown Ameri-
can shores. His experience is the experi-
ence of thousands. 'Tis thus that
Providence makes certain its mandate
to multiply and replenish the earth and
subdue it. Our deceased brother was
obedient to the call, and although his
days were prolonged beyond the allotted
time, yet he neither sought nor asked
for a discharge from service. Willingly,
faithfully, earnestly and nobly has he
served his time, his family and his God.
He received life's blessing with thank-
fulness, and bore its afflictions manfully
and without complaint. Verily it may
be said of him that he rests from his
labors, and the memory of his works
shall be as incense. He was a
volunteer and staff at the State Historical Society of Iowa Library, Des Moines, Iowa.

H. WILLIAMS,

Veyne Chandler, of Lincoln, Nebraska, is visiting his grandfather, Mr. A. Chandler, this week.

It is said that "opposition is the life of trade." If this be true, we look for an early change for the better in the tailoring business. Mr. John Adolpson, formerly associated with Schrabbe, of Burlington, has located here and has opened up a tailor shop, in which he will do all kinds of cutting, cleaning and repairing and in addition will cut and make all kinds of clothing to order. Give him a trial.

Our attention has been called to another incident which should be a caution to all careful parents, not to allow their children to play with fire. One day last week there was a small party of little boys and girls playing out on the commons north of the Presbyterian church, burning dry grass and weeds. When one little girl, whose name we did not learn, got too close to the fire and her dress caught. All the balance of the little ones took to their heels and started for home, save one little 5 year-old boy, Alva Horton, by name, who stayed and manfully went to work putting out the flames with his bare hands. It was a hot job, and one that endangered his own life, but he finally suc-
