At 10:10 o'clock last evening, Hon. F. A. J. Gray, residing six miles southeast of Wilton, breathed his last, and answered his first roll call in that higher land. Surrounded by his loved ones this venerable old man said a fond goodbye and quietly folded his arms and crossed the river. Peacefully he passed from this world into the great beyond. For several weeks this good man had been fighting an attack of pneumonia, but the strong constitution could not resist the ravages of this dread disease, and last night he gave up the fight to awake in a better land where no suffering exists. While his death was not unexpected to his family, it came as a shock to them.

Being a man of great character, he was always respected by the people who knew him. He was always ready to do good and so made many friends who are now left to mourn their loss.
